

Tin whistle tabs for: A winters tale

Categories: Christmas

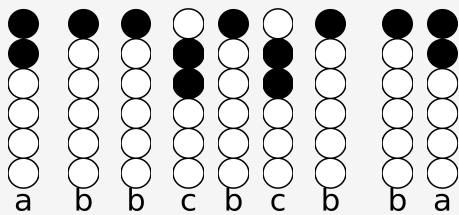

Author/Performer: David Essex

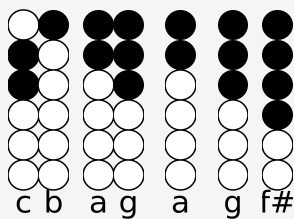

the nights are colder now

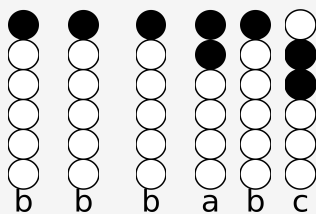

maybe i should close the door

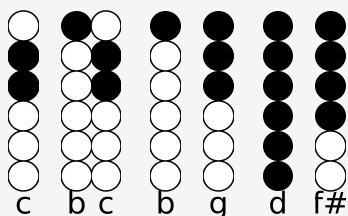

the snow has covered all your footsteps

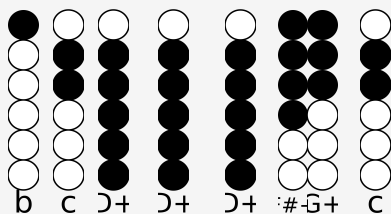

i can follow you no more

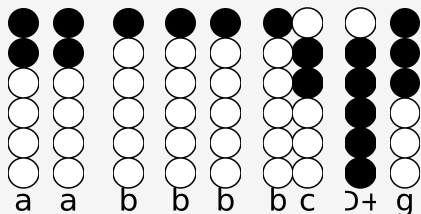

the fire still burns at night

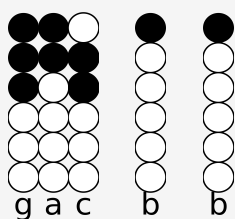

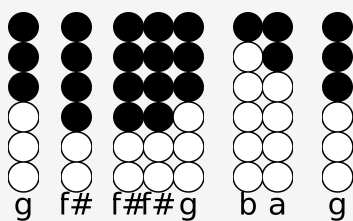

it`s a love that could never be

though it meant a lot to you and me

on a world wide scale

its just another winters tale.

why i stand alone
a bell is ringing far away
i wonder if you hear
i wonder if your listening
i wonder where you are today
good luck i wish you well
for all that wishes may be worth
i hope that love and strength
are with you for the length of your time on earth.
(repeat chorus and finish)
