Author/Performer: Heroes del silencio

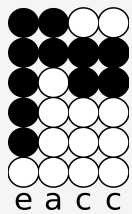

de mis manos,

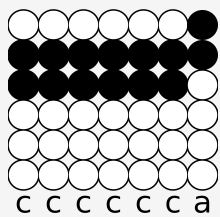

directa al corazón.

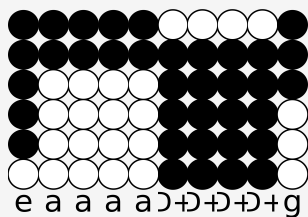

Y de madrugada, alma de alhelí,

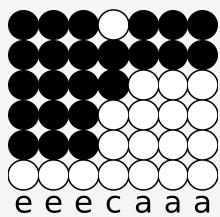

sobrevuela,

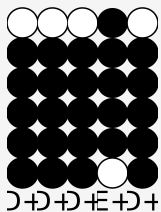

trastornando marea,

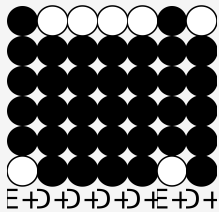

cada madrugada, alma de alhelí,

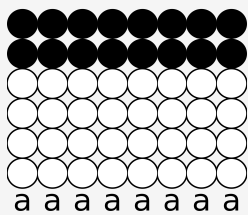

y no lo siento por mí.

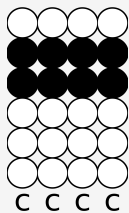

Tarde o temprano

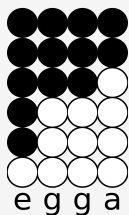

me perderé en cadenas.

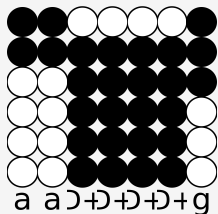

Una vez en la vida

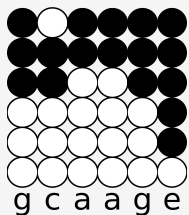

debo encontrar

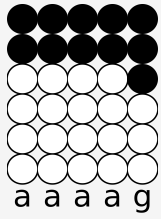

dentro de mí

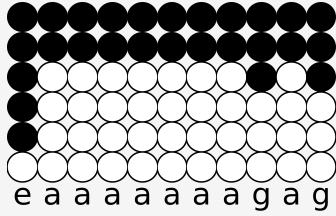

una noche de agosto

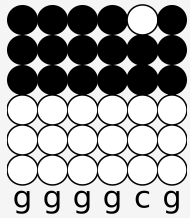

mi alma perdida

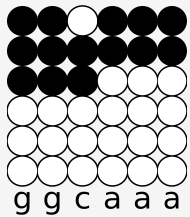

que arrojé al mar.

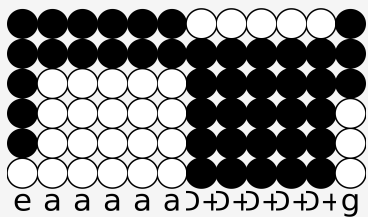

Tierra prometida que nos pertenece

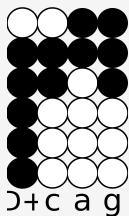

por obra, por arte,

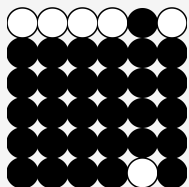

y por gracia de dios.

Tierra prometida que nos pertenece,

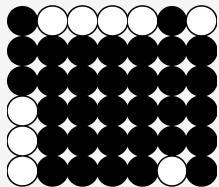

¿qué más nos da

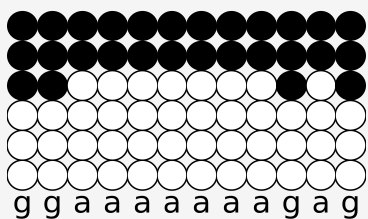

3+3+3+3+3+3+

ser moro o cristiano,

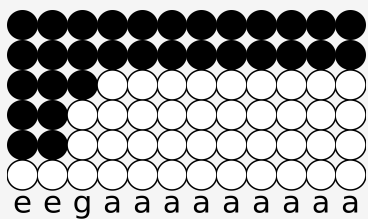

3+3+3+3+3+3+

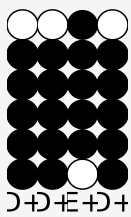

si hay para los dos?

en la sangre gitana que llevo dentro

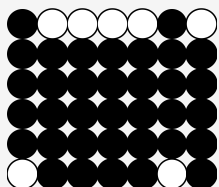

me arde fuego,000000

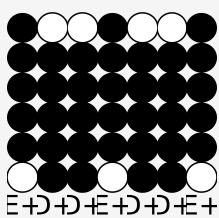

3+3+3+3+

de mis manos,

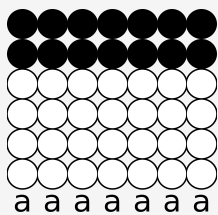

3+3+3+3+3+3+

directa al corazón,

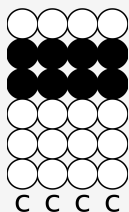

3+3+3+3+3+3+

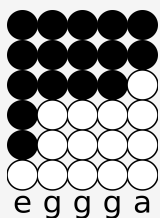

al corazón ...oo

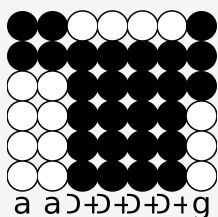

una vez en la vida

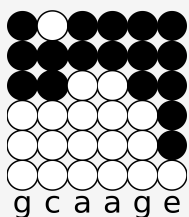

debo encontrar

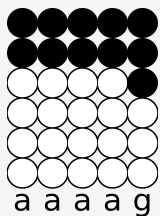

dentro de mí

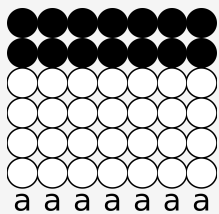

una noche de agosto

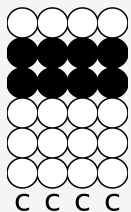

mi alma perdida

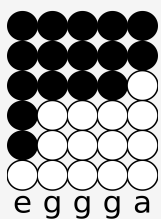

que arrojé al mar.

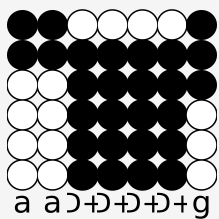

una vez en la vida

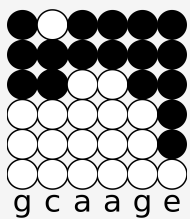

debo encontrar

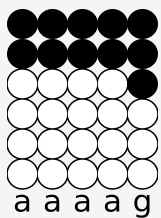

dentro de mí

una noche de agosto

mi alma perdida

que arrojé al mar.
