Some things in life are bad

They can really make you mad

Other things just make you swear and curse.

When you're chewing on life's gristle

Don't grumble, give a whistle

Always look on the light side of life...

For life is quite absurd

And death's the final word

You must always face the curtain with a bow.

Forget about your sin - give the audience a grin

Enjoy it - it's your last chance anyhow.

So always look on the bright side of death

Just before you draw your terminal breath

Life's a piece of shit

When you look at it

Life's a laugh and death's a joke, it's true.

You'll see it's all a show

Keep 'em laughing as you go

Just remember that the last laugh is on you.

And always look on the bright side of life...

Always look on the right side of life...
