

Tin whistle tabs for: Aunt Rhody

Categories: Folk

Go tell Aunt Rhody,

Go tell Aunt Rhody,

Go tell Aunt Rhody

The old gray goose is dead.

She died in the mill pond,

died in the mill pond,

died in the mill pond

From standing on her head.

The old gander's weeping,

old gander's weeping,

old gander's weeping,

Because his wife is dead.
