

Tin whistle tabs for: Bird on a wire

Categories: Folk

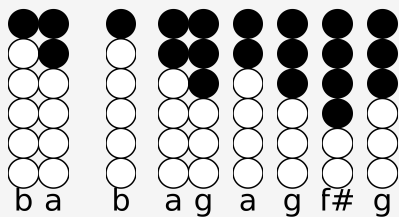

Author/Performer: Johnny Cash

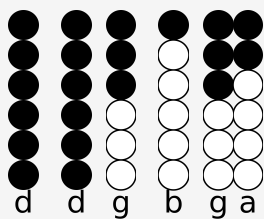

Like a bird on a wire

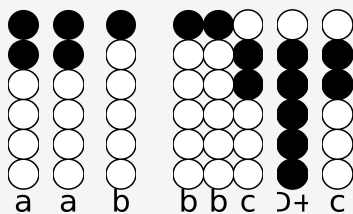

Like a drunk in a mid-night choir

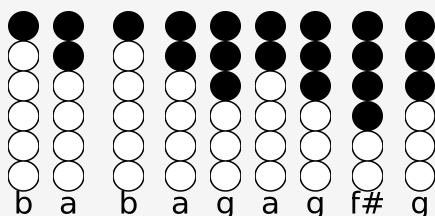

I have tried in my way to be free

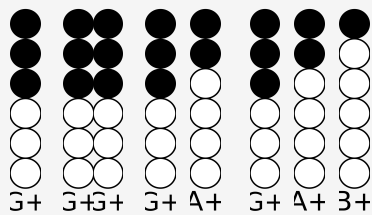

Like a fish on a hook

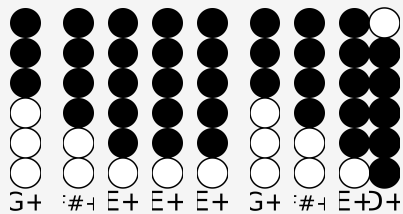

Like a Knight in a sto-ry-book

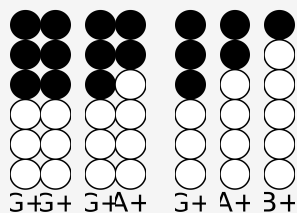

I have saved all my rib-bons for thee

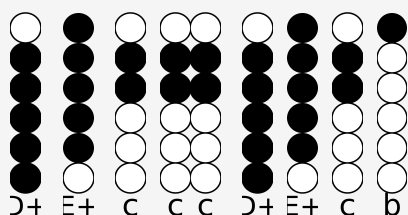

And if I, if I've been un-kind

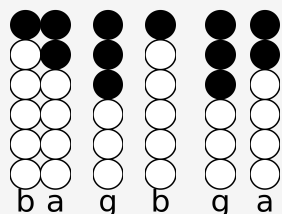

Then you know it was nev-er to you

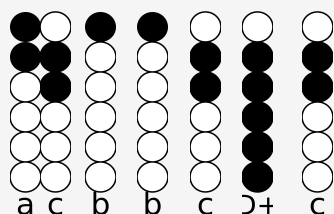

If I if Ive been un-true

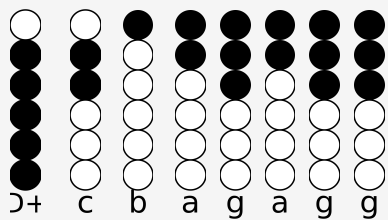

Then you know it was nev-er to you

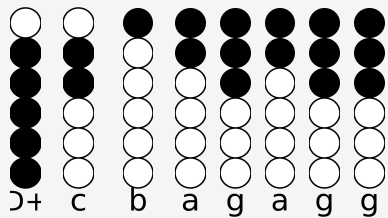

And I swear by this song

And by all that Ive done wrong

Then I'll make it all up to thee

Then I'll make it all up to thee.
