Chiquitita, dime por que  
tu dolor hoy te encadena  
en tus ojos hay  
una sombra de gran pena.

No quisiera verte asi  
aunque quieras disimularlo  
si es que tan triste estas  
para que quieres callario

Chiquitita, dimelo tu  
en mi hombro, aqui llorando  
cuenta conmigo ya  
para asi seguir andando

Tan segura te conoci  
y ahora tu ala quebrada  
dejamela arreglar  
yo la quiero ver curada

Chiquitita, sabes muy bien  
que las penas vienen y van y desaparecen  
otra vez vas a bailar y seras feliz,  
como flores que florecen.

Chiquitita, no hay que llorar  
las estrellas brillan por ti alla en lo alto,  
quiero verte sonreir para compartir  
tu alegria, Chiquitita.

Otra vez quiero compartir  
tu alegria Chiquitita.

Chiquitita, tell me whats wrong  
Youre enchained by your own sorrow  
In your eyes there is no hope for tomorrow  
How I hate to see you like this  
There is no way you can deny it  
I can see that youre oh so sad, so quiet  
Chiquitita, tell me the truth  
Im a shoulder you can cry on  
Your best friend, Im the one you must rely on  
You were always sure of yourself  
Now I see youve broken a feather  
I hope we can patch it up together  
Chiquitita, you and I know  
How the heartaches come and they go and the scars theyre leaving  
Youll be dancing once again and the pain will end  
You will have no time for grieving  
Chiquitita, you and I cry  
But the sun is still in the sky and shining above you  
Let me hear you sing once more like you did before  
Sing a new song, chiquitita  
Try once more like you did before  
Sing a new song, chiquitita  
So the walls came tumbling down  
And your loves a blown out candle  
All is gone and it seems too hard to handle  
Chiquitita, tell me the truth  
There is no way you can deny it  
I see that youre oh so sad, so quiet  
Chiquitita, you and I know  
How the heartaches come and they go and the scars theyre leaving  
Youll be dancing once again and the pain will end  
You will have no time for grieving  
Chiquitita, you and I cry  
But the sun is still in the sky and shining above you  
Let me hear you sing once more like you did before  
Sing a new song, chiquitita  
Try once more like you did before  
Sing a new song, chiquitita  
Try once more like you did before  
Sing a new song, chiquitita
