Sun-down all a-round

Walk-ing through the sum-mer's end

Waves crash. Ba-by, don't look back

I won't walk a-way a- gain

Oh

Ba-by, a-ny-where you go,

We are bound to-ge- ther

I be-gin, ba-by, where you end

Some things are for-e-ver

Cir-cle in the sand

'Round and 'round

Nev-er end-ing love

Is what we've found

And you com-plete the heart of me

Our love is all we need

Cir-cle in the sand

Cir-cle in the sand

Cold wind, tide move in
Shiver in the salty air
Day breaks, my heart aches
I will wait for you right here.

Oh

Baby when you look for me
Can you see forever?
I begin baby, where you end
We belong together

Circle in the sand

'Round and 'round

Never ending love is what we've found

And you complete the heart of me

Our love is all we need

Circle in the sand

Circle in the sand

Ba-by, can you hear me?

Can you hear me call,ing?

Oh

Baby, anywhere you go

We are bound together

I begin, baby, where you end

Some things are forever

Circle in the sand

'Round and 'round

Never ending love is what we've found

And you complete the heart of me

Our love is all we need

Circle in the sand

Circle in the sand

Circle in the sand

Cir-cle in the sand
