

Tin whistle tabs for: Cowgirl In The Sand

Categories: Rock

Author/Performer: Neil Young

Hel-lo cow-girl in the sand,

is this place at your com--mand?

Can I stay here for a while?

Can I see your sweet, sweet smile?

Old e-nough now, to change your name,

when so man-y love you, is it the same?

Its the wom-an in you that makes you want to

play this game.

Hel-lo ru-by in the dust,

has your band be-gun to rust?

Af-ter all the sin weve had,

I was hoping that wed turn bad.

Old e-nough now, to change your name,

when so man-y love you, is it the same?

Its the wom-an in you that makes you want to

play this game.

Hel-lo wom-an of my dreams.

Is this not the way it seems?

Pur-ple words on a gray back-ground,

to be a woman and to be turned down.

Old e-nough now, to change your name,

when so man-y love you, is it the same?

Its the wom-an in you that makes you want to

play this game.
