Düplerin parlayıp söndüğü yerde

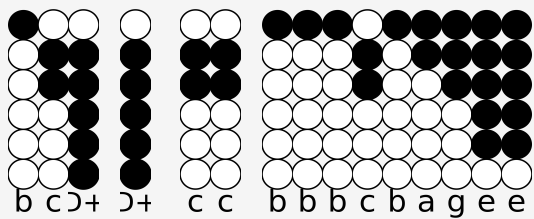

Buluşmak seninle bir akşam üstü

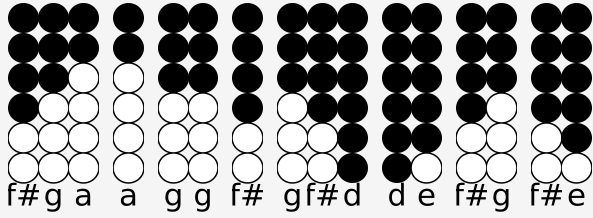

Umarşız parkılar dudağında bir yarım ezgi

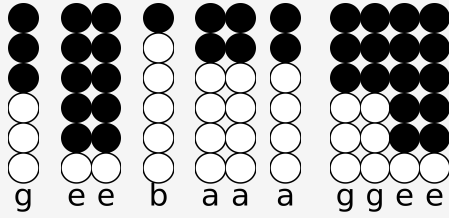

Sýđýnmak gözlerine sýđýnmak bir akşam üstü

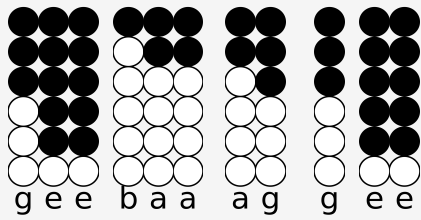

Gözlerin bir çýđlýk bir yaralı haykırıp

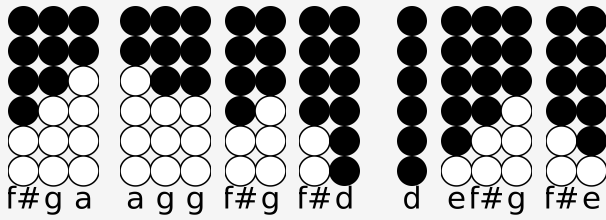

Gözlerin bu gece çok uzaktan geçen bir gemi

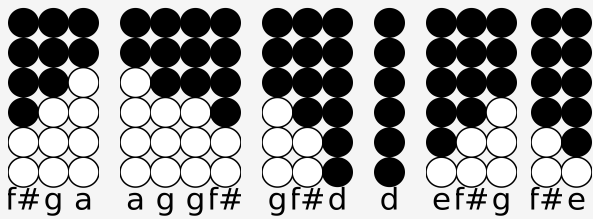

Bir orman bir gece kar altındayken

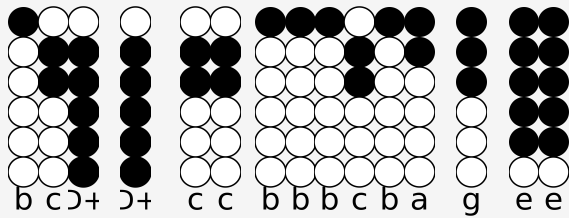

Çocuksu uçarıy kopmak seninle

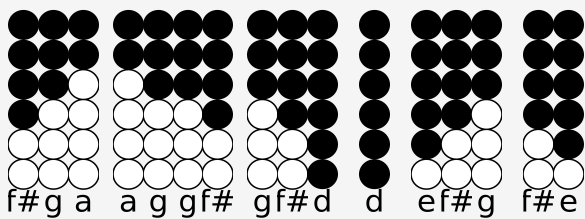

Elini avucumda bulup yitirmek yitirmek

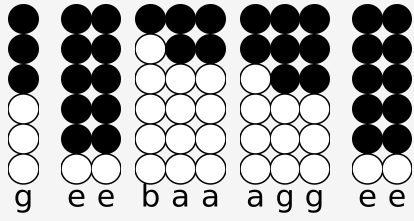

Sýđýnmak ellerine sýđýnmak bir gece vakti

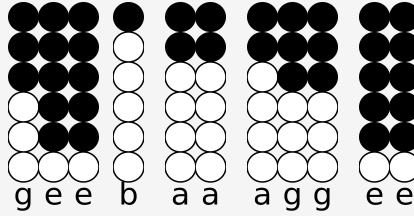

Ellerin bir martý telaplý ve ürkek

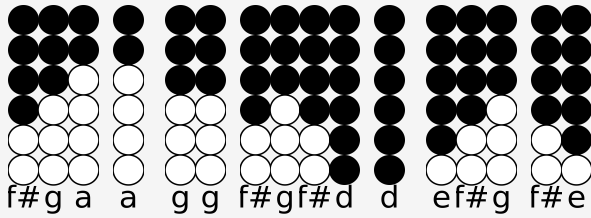

Ellerin fırtınada çýrpýnan bir beyaz yelken

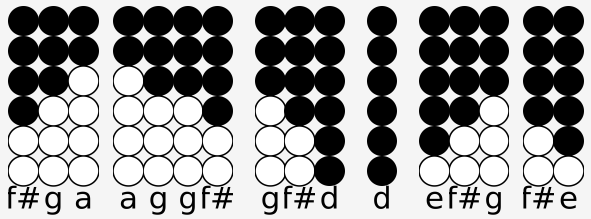

Bir kenti böylece býrakýp gitmek

Ýçinde bir kaygý binbir soruyla

Bitmemiş bir parký dudağýmda bir yarým ezgi

Sýđýnmak parkýlara sýđýnmak bir ömür boyu
