

Tin whistle tabs for: Dont Forget To Remember

Categories: Pop

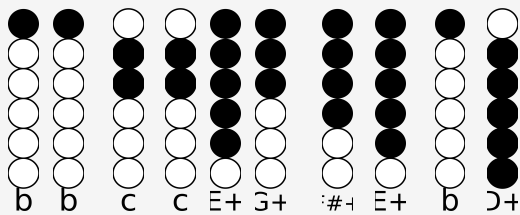

Author/Performer: Bee Gees

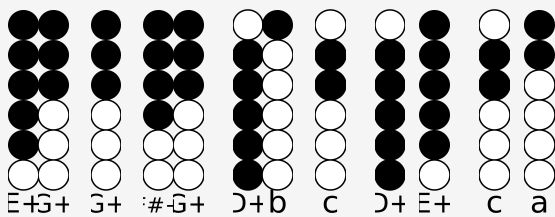

Oh, my heart, won't be-lieve,

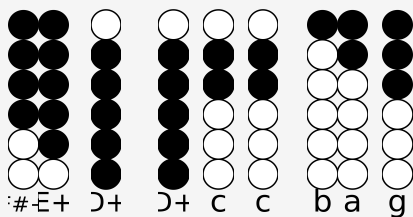

That you have left me,

I keep tell-ing, my-self, that it's true-oo,

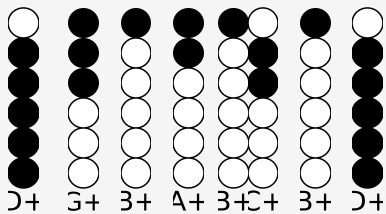

I can get, ov-er, an-y-thing, you want, my love,

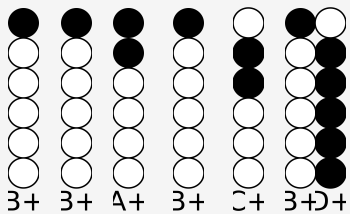

But I can't, get my-self, ov-er you.

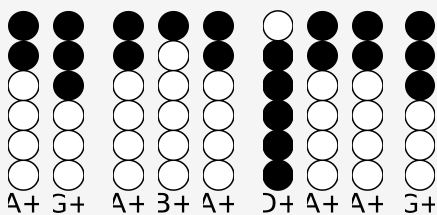

CHORUS

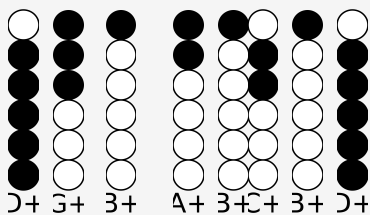

Don't for-get, to re-mem-ber me,

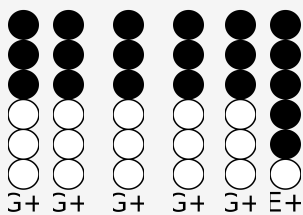

And the love, that used to be,

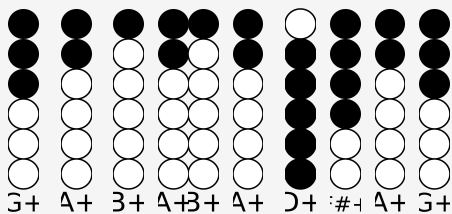

I still, re-mem-ber, you, I love you,

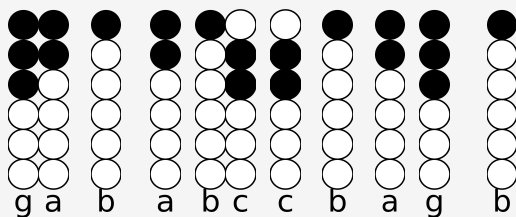

In my heart, lies a mem-or-y,

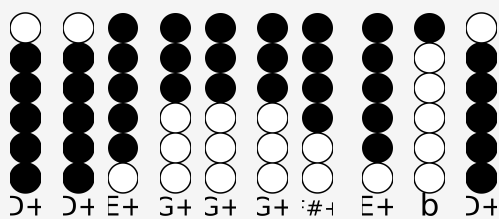

To tell the stars a-bove,

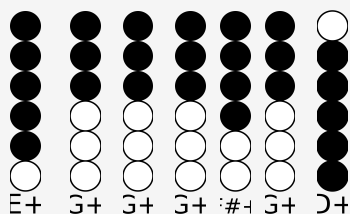

Don't for-get to re-mem-ber me, my love.

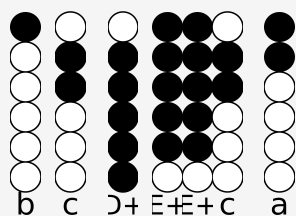

On my wall, lies a pho-to-graph of you, girl,

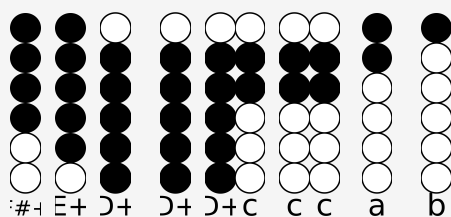

Though I try, to for-get you, some-how-ow,

You're the mir-ror of my soul,

So take me out of the cold,

Let me try, to go on liv-in' right now.

END WITH CHORUS
