Waiting for a girl who's got curlers in her hair

Waiting for a girl who's got no money anywhere

We get buses everywhere

Waiting for a factory girl

Waiting for a girl and she gets me into fights

Waiting for a girl we get drunk on friday nights

She's a sight for sore eyes

Waiting for a factory girl

Waiting for a girl and her knees are much too fat

Waiting for a girl who weares scarves instead of hat

Her zipper's broken down the back

Waiting for a factory girl

Waiting for a girl and she's got stains all down her dress

Waiting for a girl and my feet are getting wet

She ain't comen out yet

Waiting for a factory girl
