

Tin whistle tabs for: Farewell to You My Friend

Categories: Folk

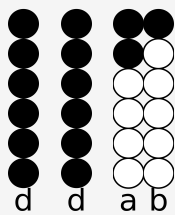

Author/Performer: Raymond Lauchengco

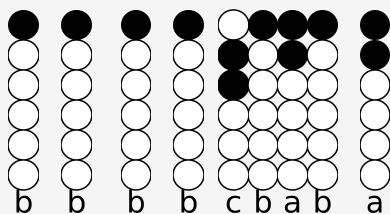

We used to be frightened and scared to try

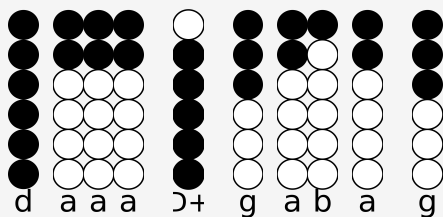

Of things we don't really understand why

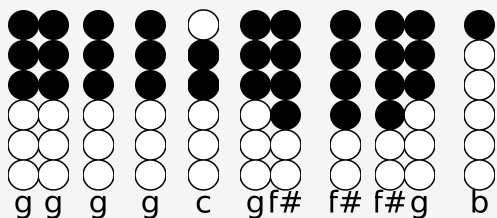

We were crazy

Now that the end is already here

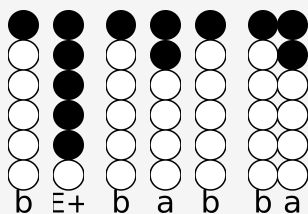

We reminisce 'bout old yells and cheers

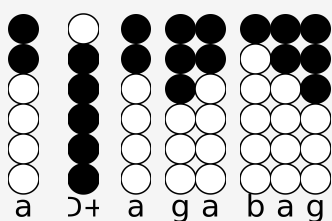

Even if our last hurrahs were never clear

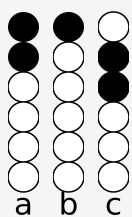

Chorus:

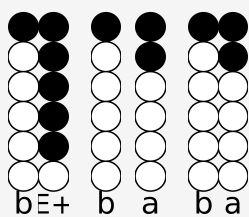

Farewell to you my friends

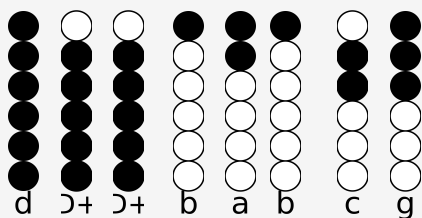

We'll see each other a-gain

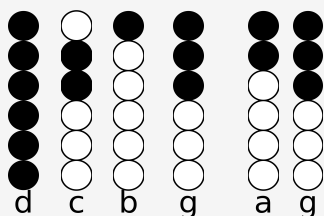

everything

I may be miles away

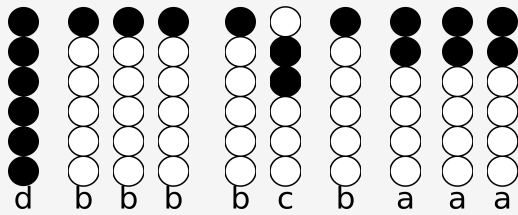

But here is where my heart will stay

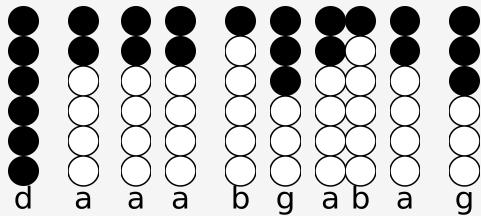

With you, my friends with you

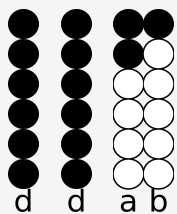

Verse 2:

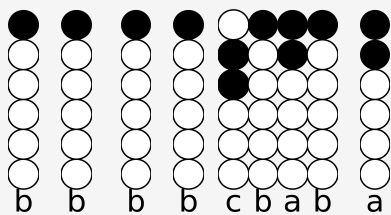

Yesterday's a treasure, today is here

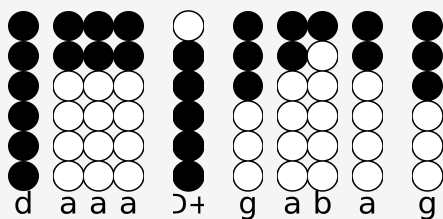

Tomorrows' on its way, the sky is clear

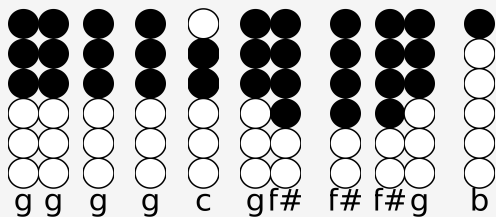

Thank you for the mem'ries of all the laughters and tears

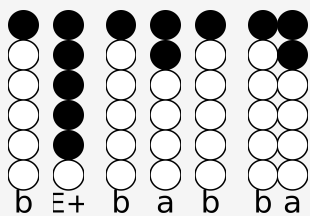

And not to mention our doubts and our fears

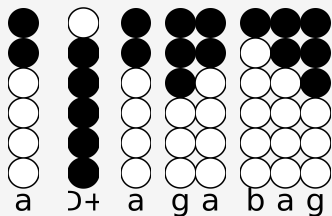

The hypertension we gave to our peers

It's really funny to look back after all of these years

Farewell to you my friends

We'll see each other a-gain
