i want to be your lover

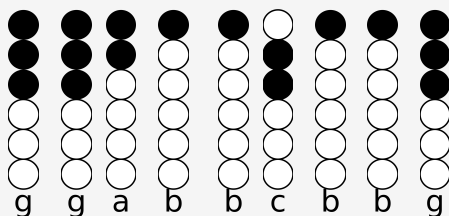

but your friend is all iv`e stayed

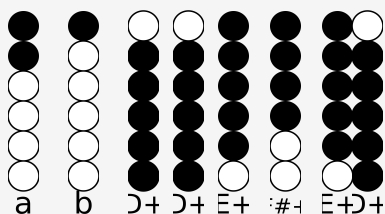

i`m only halfway to paradise

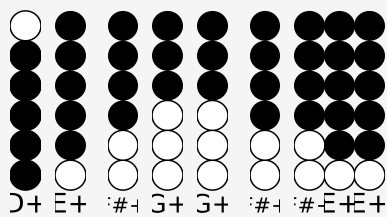

so near yet so far away

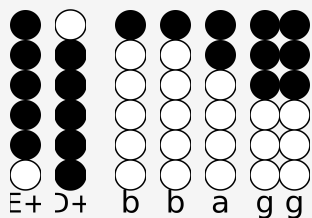

i long for your lips to kiss my lips

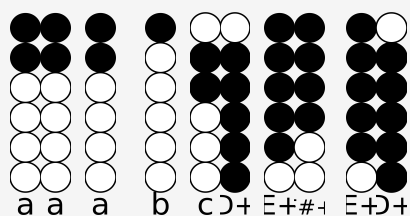

but just when i think they may

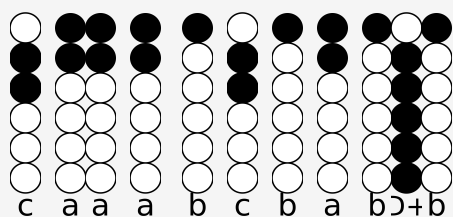

you lead me halfway to paradise

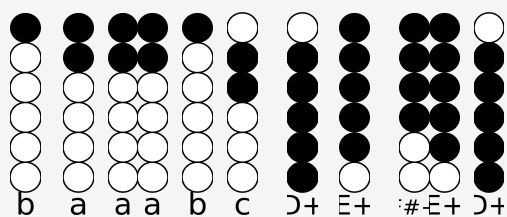

so near yet so far away

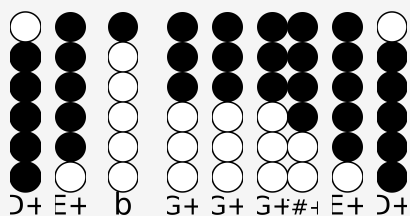

being close to you is almost heaven

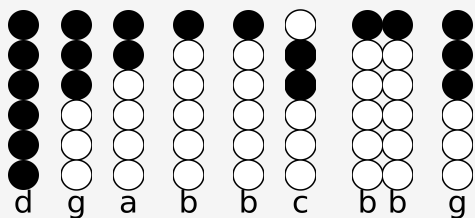

but seeing you can do just so much

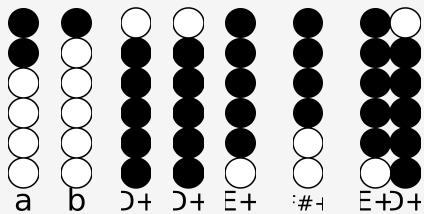

it hurts me so to know your hearts a treasure

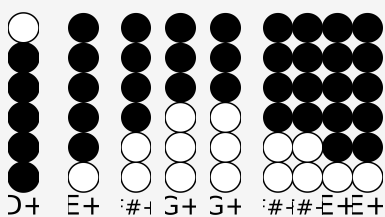

that my heart is forbidden to touch

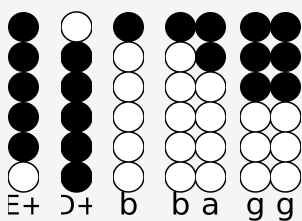

so put your sweet lips close to my lips

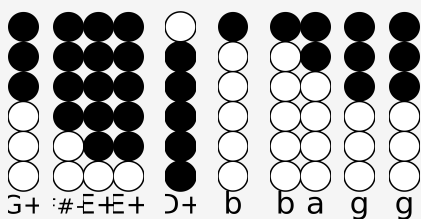

and tell me thats where they`ll stay

don`t lead me halfway to paradise

so near yet so far away

oh oh oh so near yet so far away.
