HASTEN DOWN THE WIND

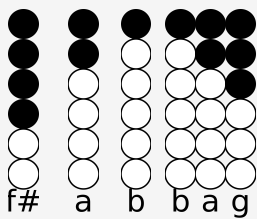

She tells him she thinks

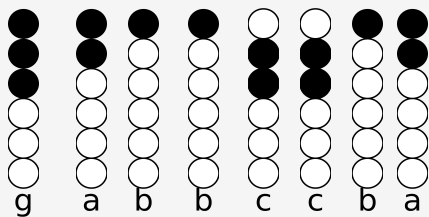

she wants to be free

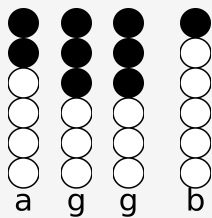

He tells her he does-n't un-der-stand

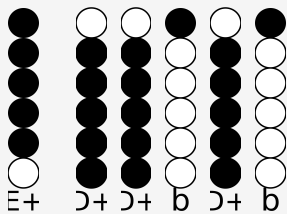

She takes his hand

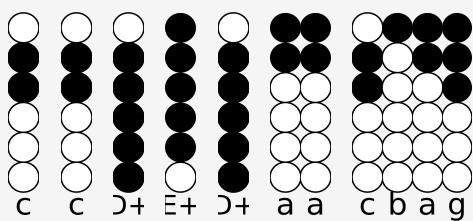

She tells him noth-ing's work-ing out

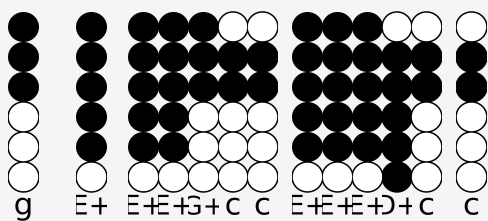

the way she planned

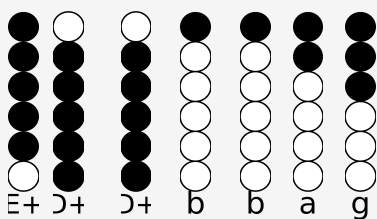

She's so man-y wom-en

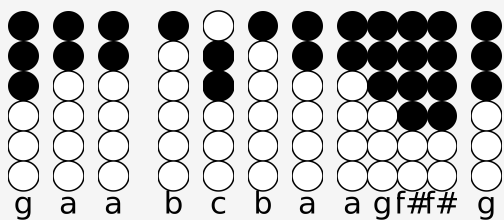

He can't find the one who was his friend

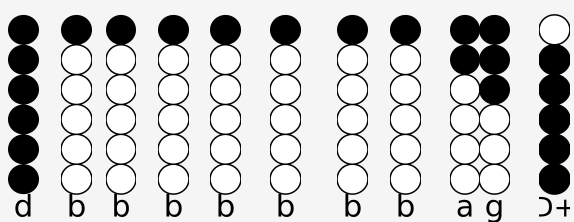

He's hang-ing on to half a heart, but

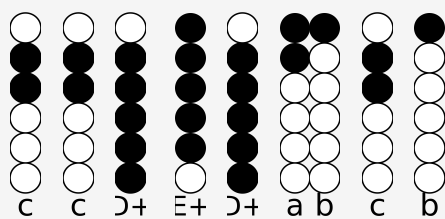

He can't have the rest-less part

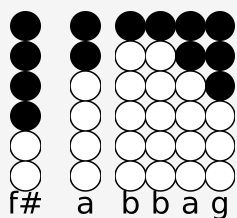

So he tells her to has-ten down the wind

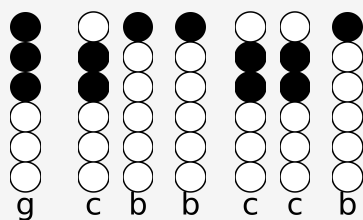

Now he a-grees he thinks she ought to be free

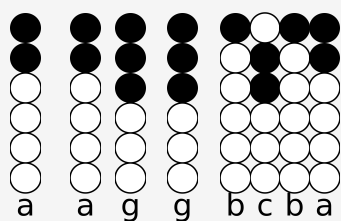

Now she says she'd rath-er be with him

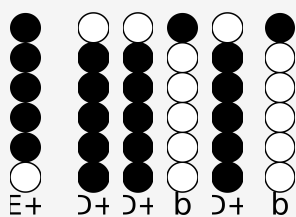

It's just a whim

That she de-signed to keep him

Out there on that limb

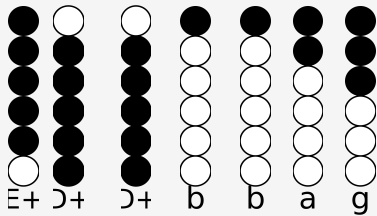

She's so man-y wom-en

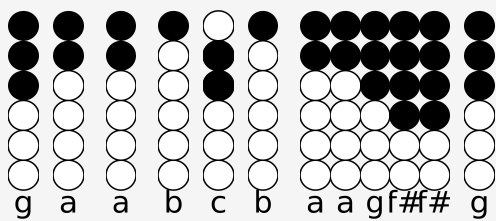

He can't find the one who was his friend

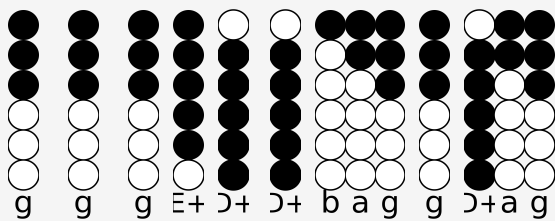

He's hang-ing on to half a heart, but

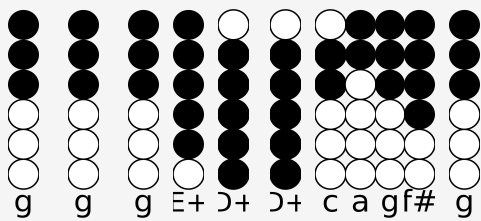

He can't have the rest-less part

So he tells her to has-ten down the wind

He tells her to has-ten down the wind

He tells her to has-ten down the wind
