

Tin whistle tabs for: He Ain't Worth Missin

Categories: Country

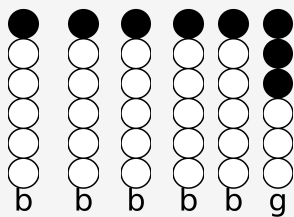

Author/Performer: Toby Keith

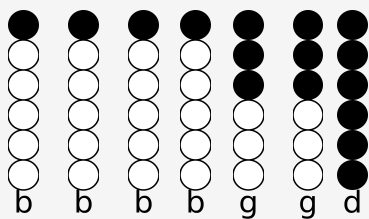

He's fly-in high to-night

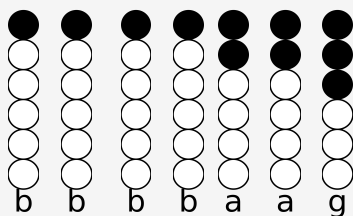

he's got a brand new lov-er

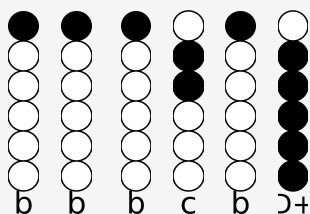

here you come a run-nin

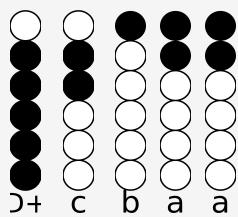

your look-ing for some cov-er

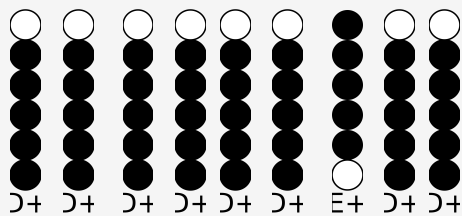

I know your sad and lone-ly

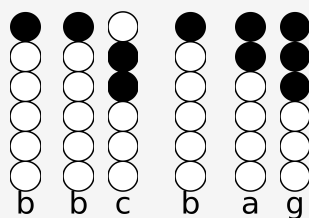

I know your feel-in blue

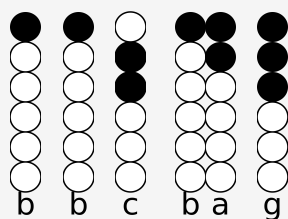

You miss him so much

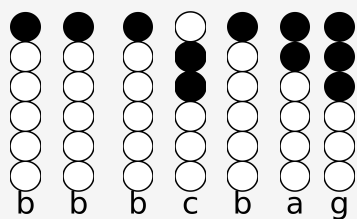

You wont let me get too close to you
(CHORUS)

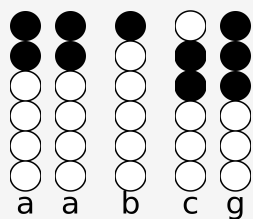

Oh he ain't worth miss-in

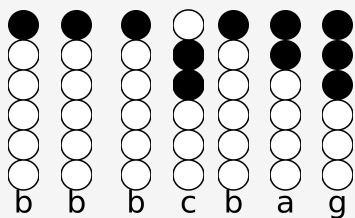

Oh we should be kiss-in

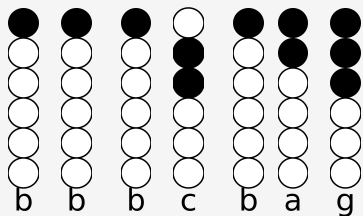

Stop all this fool-ish wish-in

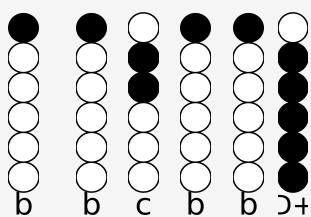

He aint worth mis-in

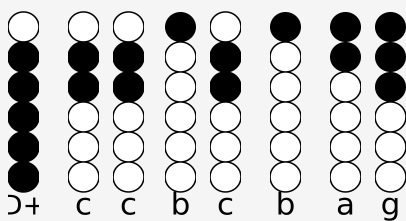

I know your head is turn-in

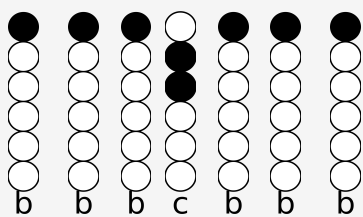

I know your heart is burn-in

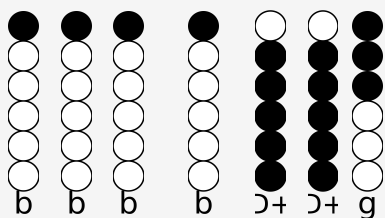

Girl you've got to lis-ten

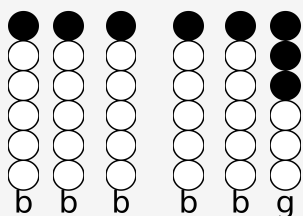

Don't you know he aint worth miss-in
(VERSE 2)

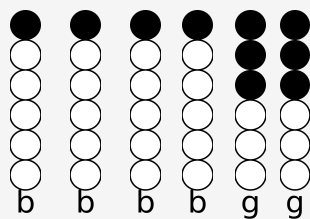

You know im here to save you

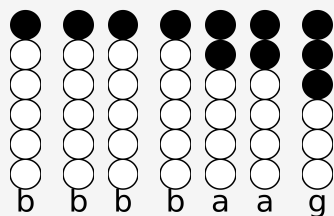

But you aint through cry-in yet

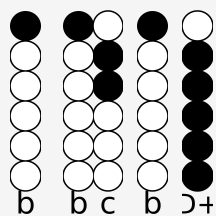

Look at your pret-ty face

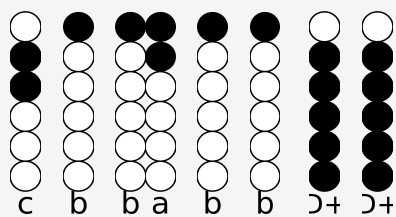

All red and soak-in wet

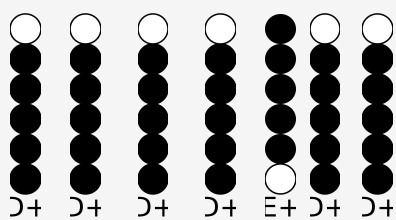

Im gon-na try to make him

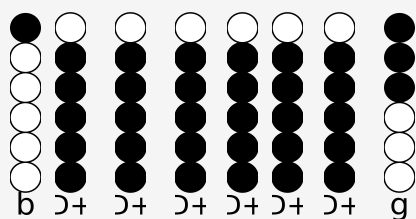

Just a mem-o-ry

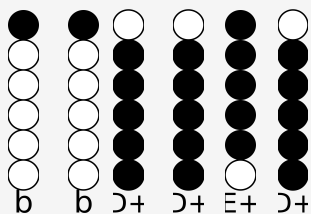

Come on ba-by lets get start-ed

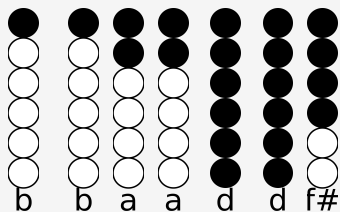

The first thing you've got to see
(CHORUS)

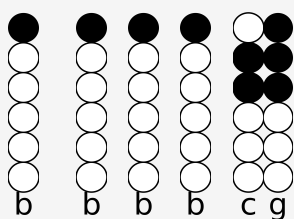

If you need some-one to hold you

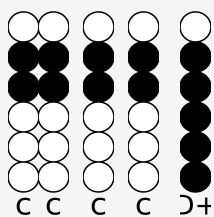

Some-one to ease your pain

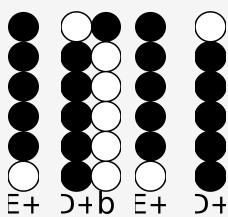

We'll all be hold-in stead-y

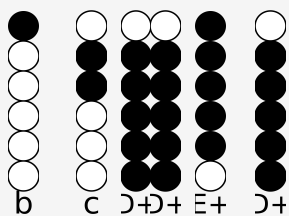

Girl when you get rea-dy

Im gon-na show you

Love is a good thing

Yeah! Love is a good thing
(CHORUS TO END)
