

Tin whistle tabs for: Heat of the moment

Categories: Rock

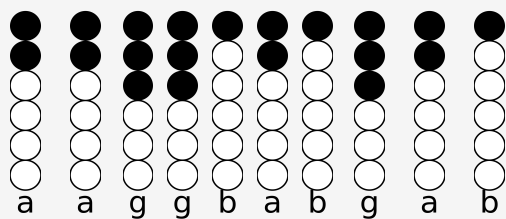

Author/Performer: Asia/Eric cartman

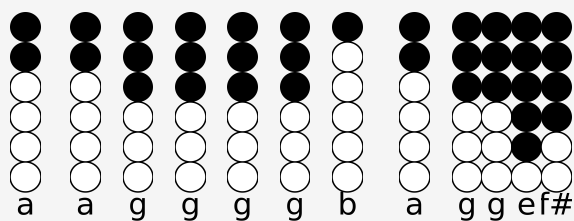

i never meant to be so bad to you

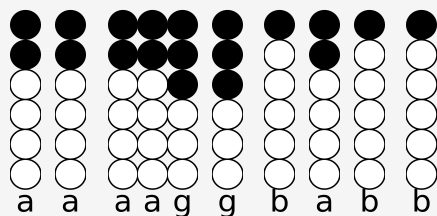

one thing i said that i would never do

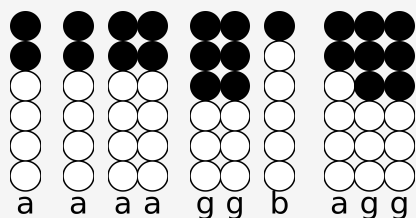

one look from you and i would fall from grace

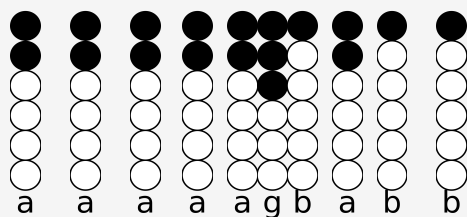

and that would wipe the smile right from my face

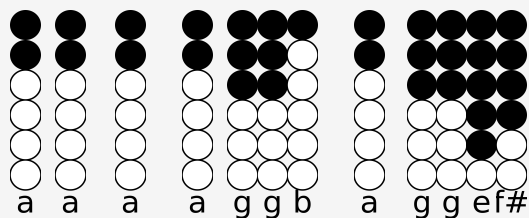

do you remember when we used to dance

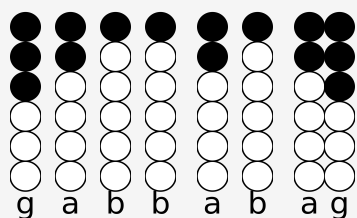

and incidents arose from cicumstance

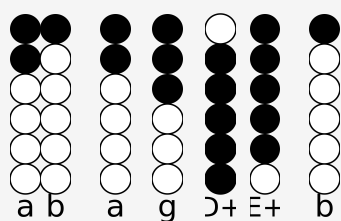

one thing led to another we were young

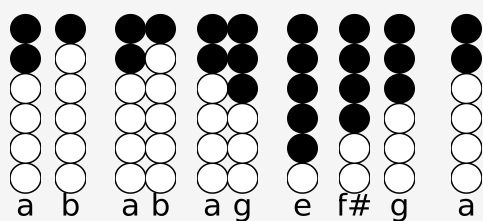

and we would sing together songs unsung
(chorus)

it was the heat of the moment

telling you what my heart meant

the heat of the moment showed in your eyes
