

Tin whistle tabs for: I am always touched by your presence dear

Categories: Rock

Author/Performer: Blondie

was it destiny,i don`t know yet

was it just by chance that the speakers met

something in my conciousness told me you`d appear

now i`m always touched by your presence dear

when we play at cards you use an extra sense

you can read my hand i've got no defence

when you send your messages whisper loud and clear

i am still in touch with your presence dear.
