a a b a

It's nice to know

That there's some one I can turn to

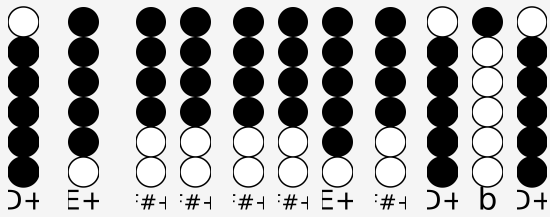

Who will always care

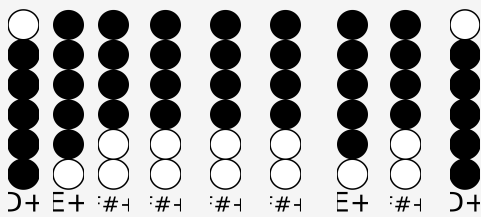

You're always there

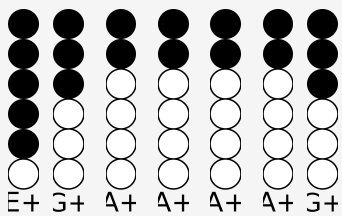

Chorus

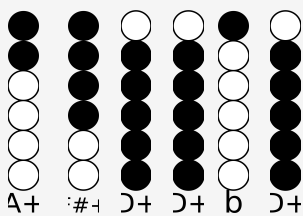

When there's no getting ov-er that rain~~~bow

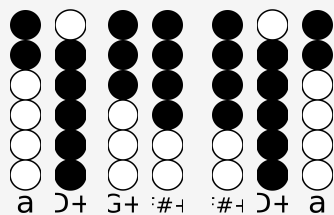

When my smallest of dreams won't come true

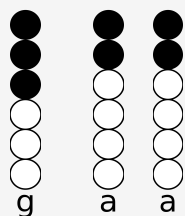

I can take all the madness

The world~~~ has to give

But I won't~~~ last a day

With - out you~~~~

V2

So many times, when the city seems to be

Without a friendly face, a lonely place

It's nice to know, that you'll be there if I need you

And you'll always smile, it's all worthwhile

Chorus

V3

Touch me and I end up singing

Trouble seems to up and disappear

You touch me with the love you're bringing

I can't really lose when you're near

When you're near, my love

If all my friends, have forgotten half their promises

They're not unkind, just hard to find

One look at you, and I know

That I Could learn to live without the rest

I've found the best

Repeat Chorus twice
