

Tin whistle tabs for: If Dream's Came True

Categories: Country

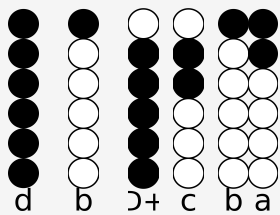

Author/Performer: Pat Boone

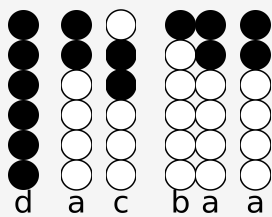

Oh, my darling! Oh, my lover!

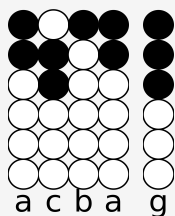

If dreams came true, dear,

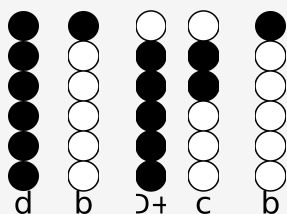

I'd dream you ev'rything.

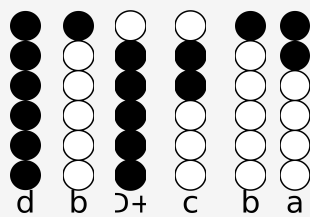

That you would always be

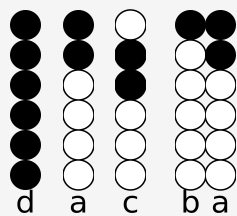

Happy as a king.

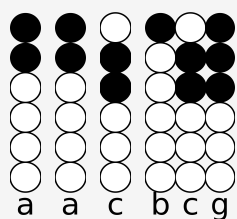

If dreams came true, dear,

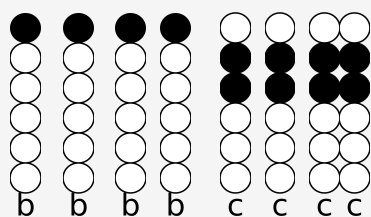

No troubles would you see--

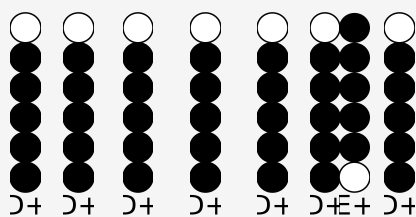

Just calm and laughter

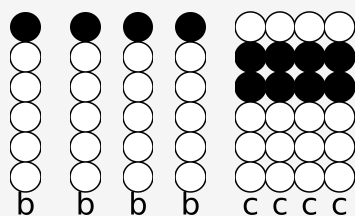

To keep you company.

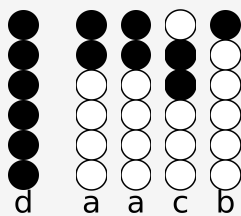

Oh, my darling! Oh, my lover!

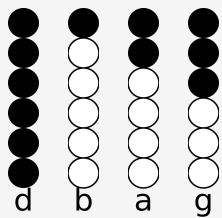

In your heart you'd soon discover

Songs and laughter, ever after

From dreaming I'd do,

If dreams came true
