Categories: Country

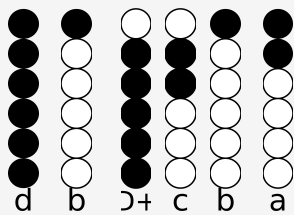

Author/Performer: Pat Boone

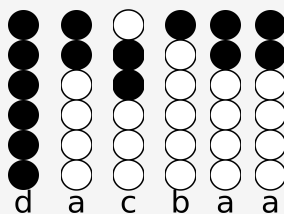

Oh, my darl-ing Oh my lov-er

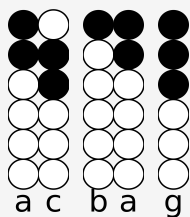

If dreams came true, dear

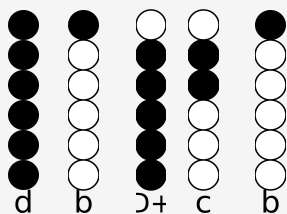

I'd dream you ev-ry-thing

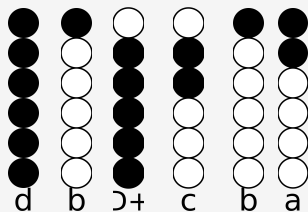

That you would al-ways be

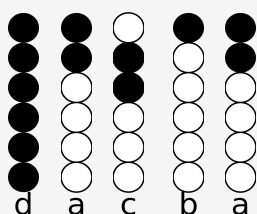

Hap-py as a king

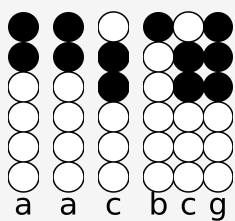

If dreams came true, dear

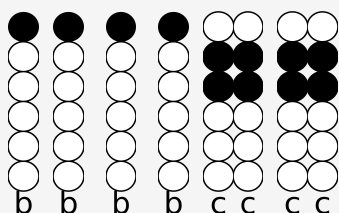

No trou-bles would you see

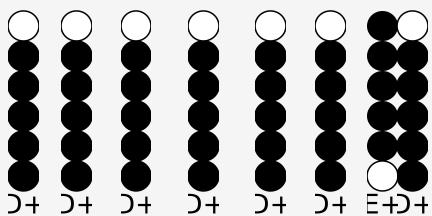

Just calm and laught-er

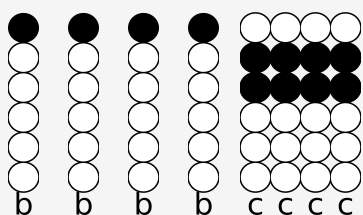

To keep you com-pa-ny.

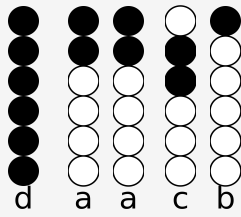

Oh my darl-ing Oh my lov-er

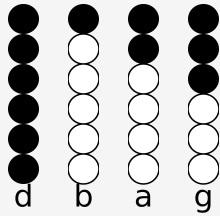

In your heart you'd soon dis-cov-er

Songs and laugh-ter, ev-er af-ter

From dream-ing I'd do

If dreams came true

Verse 2 same as 1

If dreams came true dear

I'd dream you paradise A moonlit garden

And stars to match your eyes

But as for me dear

My world is all a gleam for I have you, dear

And have no need to dream

Oh, my darling Oh my lover

In your arms is where I discover

More than moon light more than starlight

More than dreams could do

If dreams came true
