Categories: Rock

I'm gonna wait till the midnight hour

That's when my love comes tumbling down

I'm gonna wait till the midnight hour

When there's no one else around

I'm gonna take you girl and hold you

And do all the things I told you

In the midnight hour

I'm gonna wait till the stars come out

And see that twinkle in your eye

I'm gonna wait till the midnight hour

That's when my love begins to shine

I'm gonna take you girl and hold you

And do all the things I told you

In the midnight hour
