Work work and work the hie-le daw.

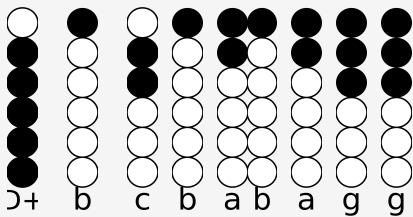

Work work and work there's nok to lawe.

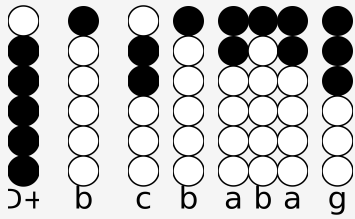

No food, no hvil, no no'ed som helst

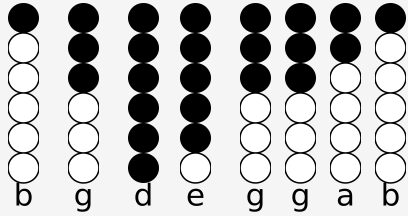

I think it is a lit-tle trælst.

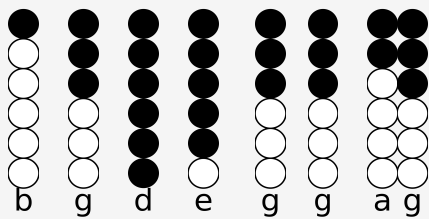

Yeah it's hard to be a nis-se-mand

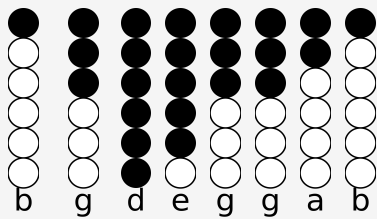

Yeah it's hard to be a nis-se.

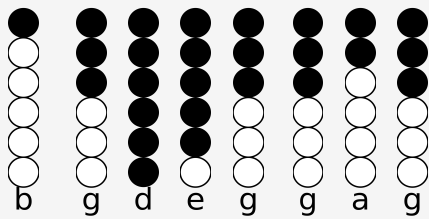

No'en can have free when it is jul.

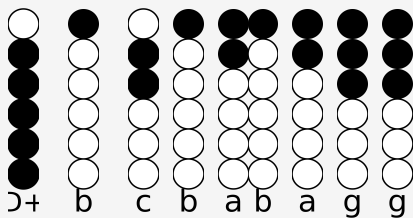

Free båd' from arbed' and from school.

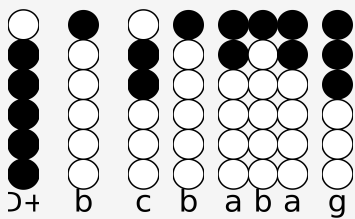

But when you are a nis-se-mand

that's sim-pelt-hen not no'ed you can.

Yeah it's hard to be a nis-se-mand

Yeah it's hard to be a nis-se.
