

Tin whistle tabs for: Its been awhile

Categories: Rock

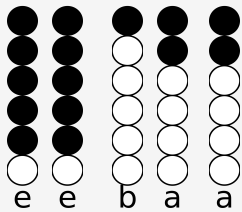

Author/Performer: Staind

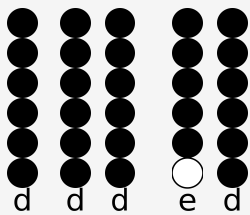

And it's been a while

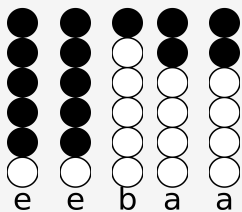

Since I could hold my head up high

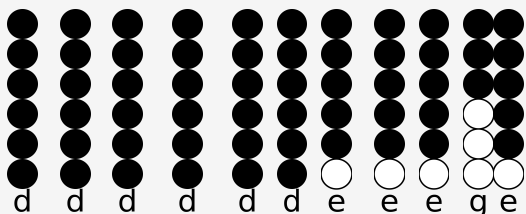

and it's been a while

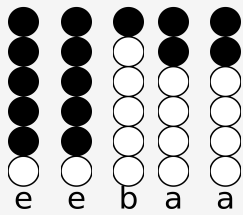

Since I first saw you

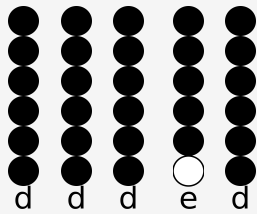

And it's been a while

since i could stand on my own two feet again

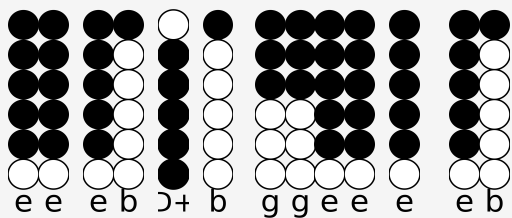

and it's been a while

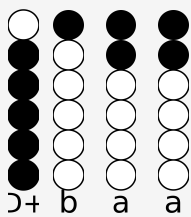

since I could call you

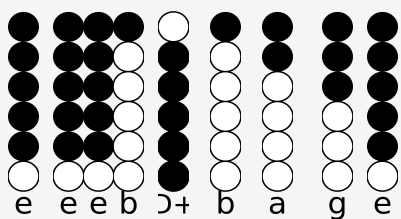

Chorus:

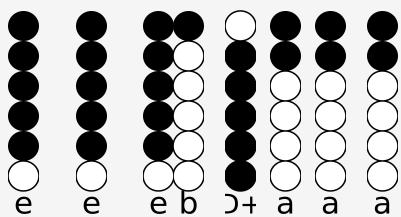

And everything I can't remember as fucked up as

It all may seem

the consequences that I've rendered

I've stretched myself beyond my means

verse 2:

It's been a while

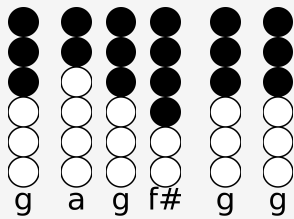

since i could say that i wasn't addicted and

It's been a while

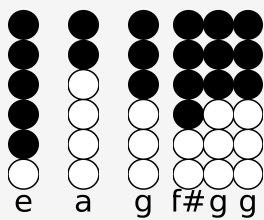

Since I could say I love myself as well and

It's been a while
 Since I've gone and fucked things up just like I always do
 It's been a while
 But all that shit seems to disappear when I'm
 with you

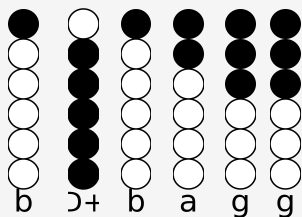

(Chorus)

Why must I feel this way?

just make this go a-way

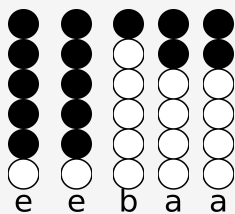

just one more peaceful day

verse 3:

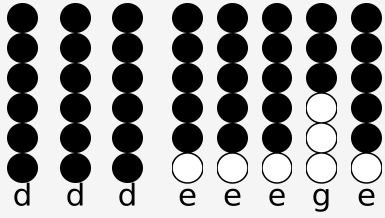

Its been awhile
 Since I could look at myself straight
 and it's been awhile
 since I said I'm sorry
 It's been awhile
 Since I've seen the way the candles light your face
 It's been awhile
 But I can still remember just the way you taste

(last chorus)

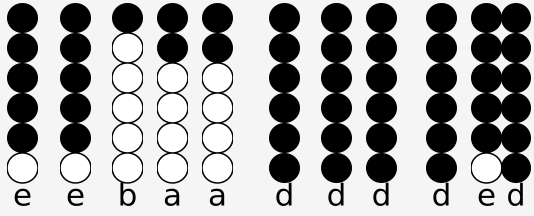

But everything I can't remember as fucked up as
 It may seem
 I know it's me I cannot blame this on my father
 he did the best he could for me

And it's been awhile

Since I could hold my head up high

And it's been awhile since I said I'm sorry
