

Tin whistle tabs for: Jesus Will Still Be There

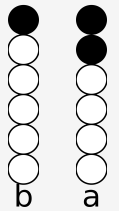

Categories: Christian

Author/Performer: Robert Sterling & John Mandeville

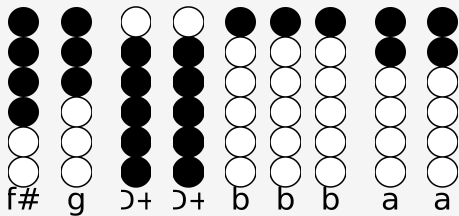

VERSE

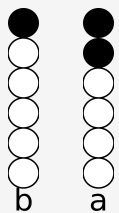

Things change

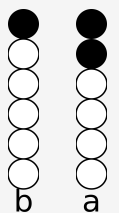

plans fail

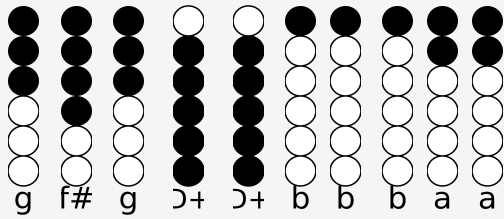

you look for love on a grand-er scale

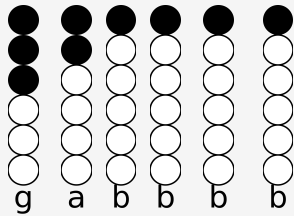

Storms rise

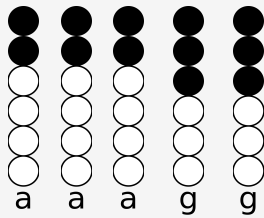

hopes fade

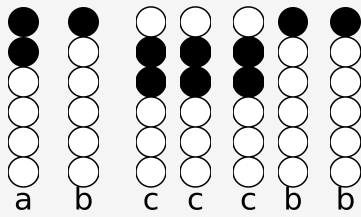

and you place your bets on an-oth-er day
 CHORUS

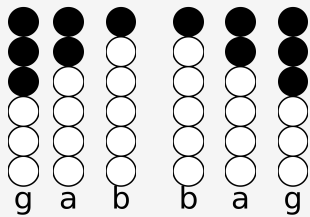

When the go-in gets tough

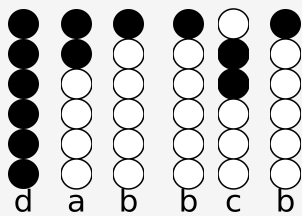

when the ride-s too rough

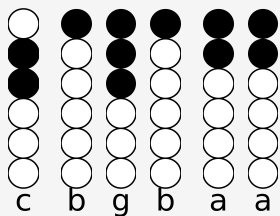

When you-re just not sure e-nough

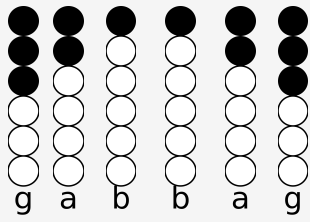

Je-sus will still be there

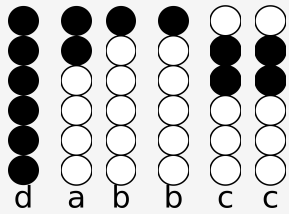

His love will nev-er change

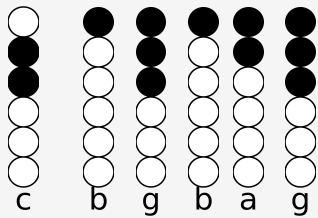

sure as a steady rain

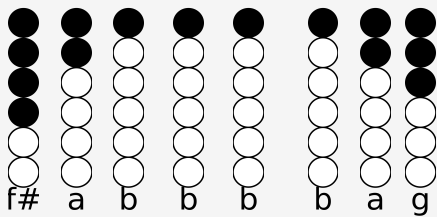

Je-sus will still be there

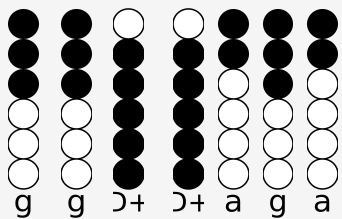

When no one else is true

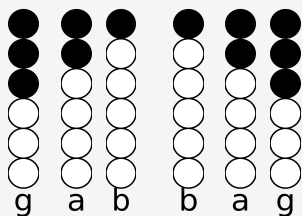

He-ll still be lov-ing you

When it looks like you've lost it all

and you have-n-t got a prayer

Je-sus will still be there

VERSE

Time flies

hearts turn

a lit-tle bit wis-er from les-sons learned

But some-times

weak-ness wins
and you lose your foot-hold once a-gain
