and the rain is falling

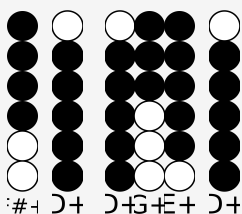

and the wind is blowing cold across the moor

I hear the voice of my darlin'

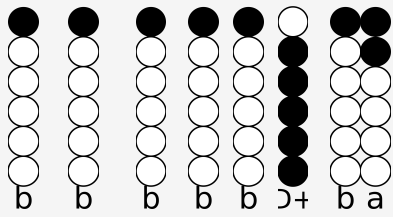

the girl I loved and lost a year ago

well it`s hard to believe i know

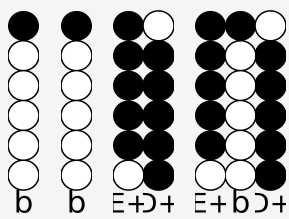

but I hear her singing in the signing of the wind

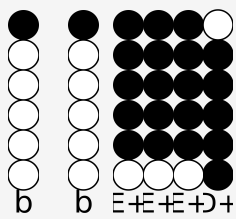

blowin` in the tree tops way above me

well someday I guess

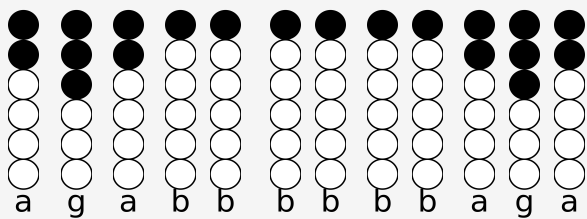

I'll find myself another little girl

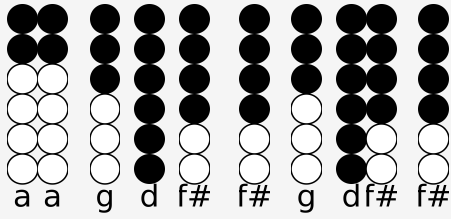

to take the place of my true love

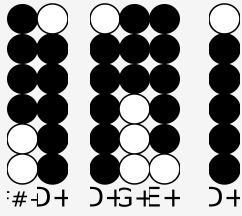

but as long as I live I know

I'll hear her singing in the sighing of the wind

blowin' in the tree tops way above me
