I'm lyin' here on the floor where you left me

I think I took too much

I'm crying here-,

what have you done?

I thought it would be fun

I can't stay on your life support,

there's a Shortage in the switch,

I can't stay on your morphine,

'cuz it's making me Itch

I said I tried to call the nurse again

but she's Being a little bitch,

I think I'll get out of here,

where I can run

Just as fast as I can

To the middle of nowhere

To the middle of my frustrated fears

And I swear

you're just like a pill

'Stead of making me better,

you keep making me ill

You keep making me ill

I haven't moved from the spot where you left me

This must be a bad trip

All of the other pills,

they were different

Maybe I should get some help

I can't stay on your life support,

there's a Shortage in the switch,

I can't stay on your morphine,

'cuz it's making me Itch

I said I tried to call the nurse again

but she's Being a little bitch,

I think I'll get out of here,

where I can run

Just as fast as I can

To the middle of nowhere

To the middle of my frustrated fears

And I swear

you're just like a pill

'Stead of making me better,

you keep making me ill
