There's a lovin' in your eyes all the way

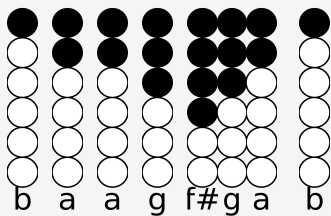

If I listen to your lies would you say

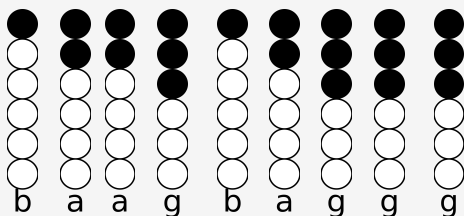

I'm a man without conviction

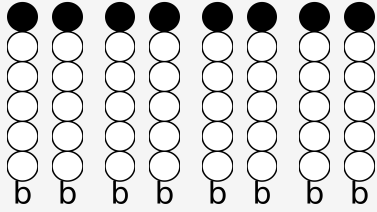

I'm a man who does'nt know

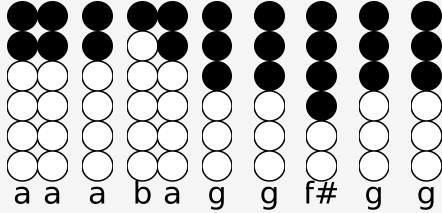

How to sell a contradiction

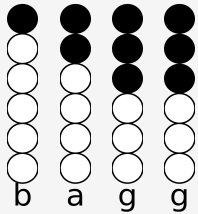

You come and go, you come and go ~~~~~

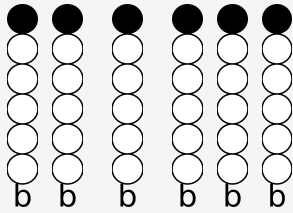

Karma, karma, karma, karma

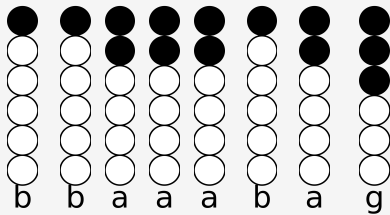

Karma cha-me-le-on, you come and go

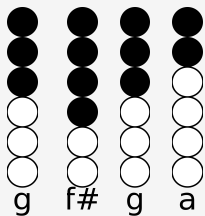

You come and go

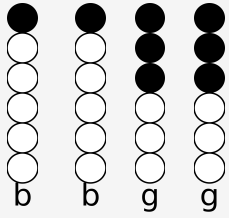

Lovin' would be ea-sy

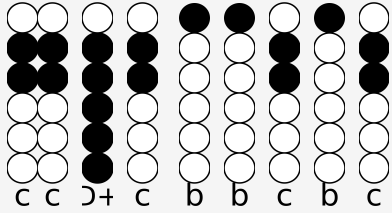

If your colors were like my dreams

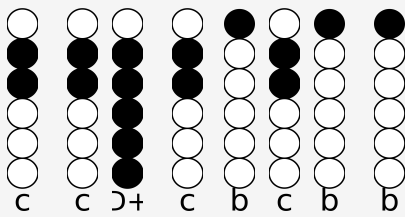

Red, gold and green

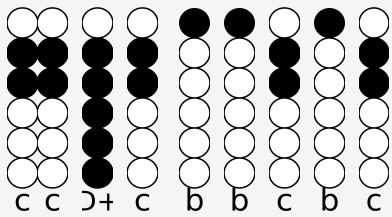

Red, gold and green

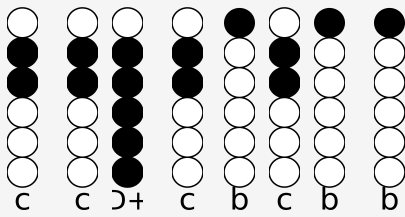

Ev-ry day is like a sur-vi-val

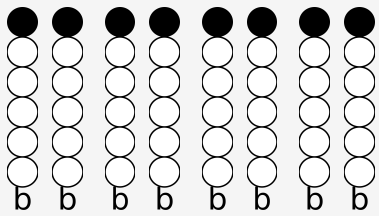

You're my lov - er, not my riv - al

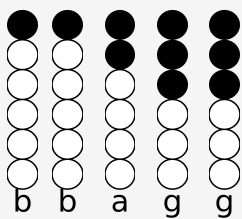

Hear your wicked words ev-ry day

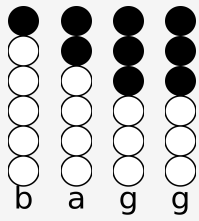

And you used to be so sweet

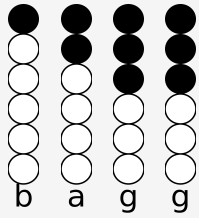

I heard you say

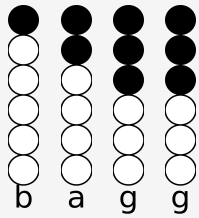

That my love, was an addiction

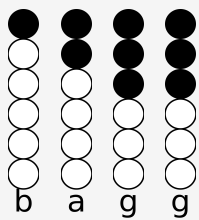

When we cling, our love is strong

When you go, you're gone forever

You string along, you string along

Repeat Chorus and fade
