Grisen står og hylar

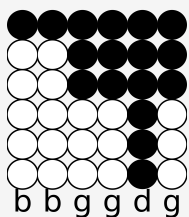

I den stille kveld

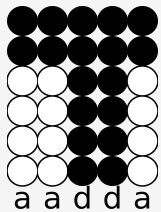

Den skal ikkje slaktas

Men hylar likevel

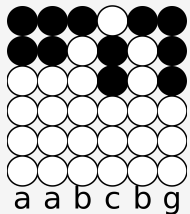

Fir- og tjue kråker

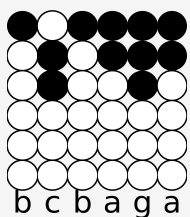

a a d d a

Sit på ein madrass

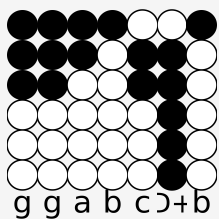

a a b c b g

Ennå ei vil sitje

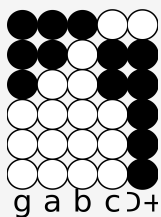

b c b a g a

Men det er ikkje plass

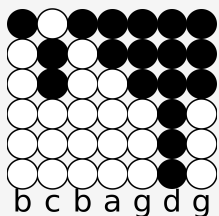

g g a b c \cup b

Og månen står og lyser

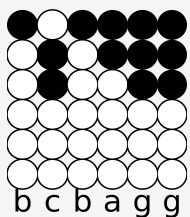

g a b c \cup

Rund og feit og kvit

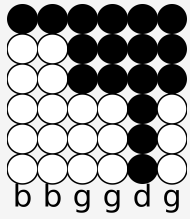

b c b a g d g

Og reven kjem frå skogen

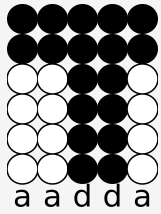

b c b a g g

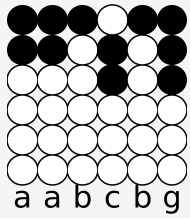

Og luskar hit og dit

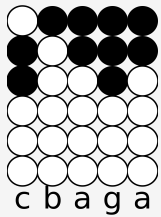

Fiskane i havet

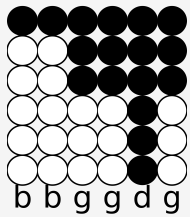

Søv og drøyer søtt

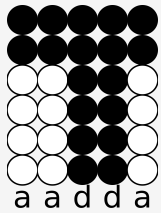

Nøkken nedi tjernet

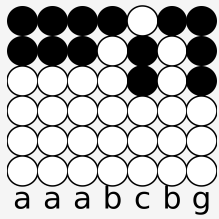

Har eg aldri møtt

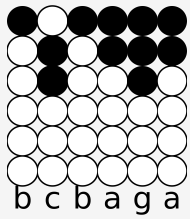

Mor og far har lagt seg

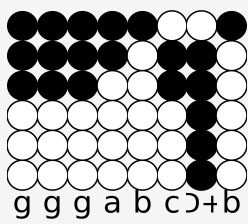

Eg er vaken eg

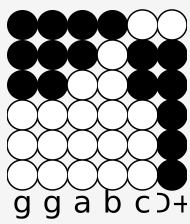

No klatrar eg ut glaset

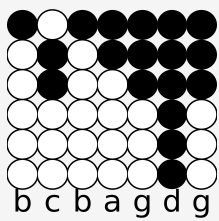

Så spring eg bort til deg

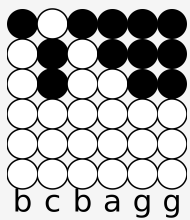

Og mens grisen står og hylar

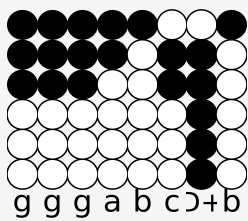

Og månen lyser kvit

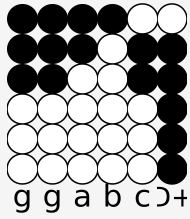

Sit du og eg på taket

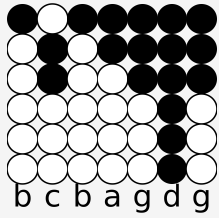

Og ler og pratar skit

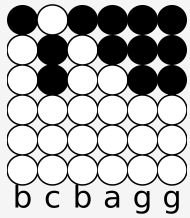

Ja mens grisen står og huler

Og månen lyser kvit

Sit du og eg på taket

Og ler og pratar skit
