

Tin whistle tabs for: Kvraagetaan

Categories: Pop

Author/Performer: Fixkes

The image displays three rows of tin whistle tabs, each consisting of four vertical columns of circles. In each column, the top two circles represent the left hand and the bottom two represent the right hand. A solid black circle indicates a finger is pressed down, while an empty white circle indicates it is not. Below each column is a letter representing the note produced.

Row 1:
