Hubo un mago en la ciudad

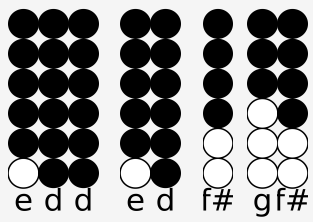

que actuaba en un lugar sin magia

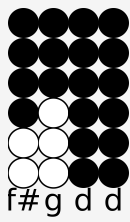

le robaron la ilusion

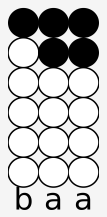

su viejo truco le fallo

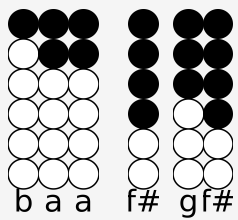

y se escondio

Lagrimas al suelo

Nunca mas le Vieron

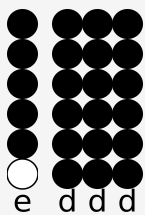

Vi un payaso fracasar

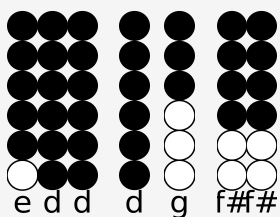

solo sabia hacer llorar

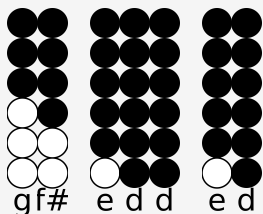

vaya gracia

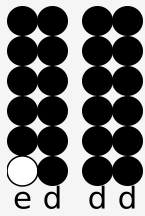

Una tarde en la funcion

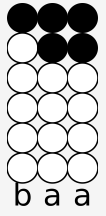

todo el publico rio

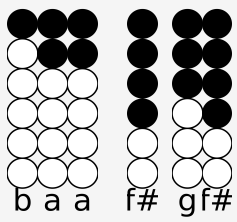

y yo llore

Lagrimas al suelo

desaparecieron

era presa del temor

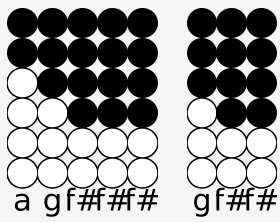

ante su leon

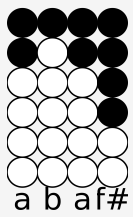

nadie se lo perdono

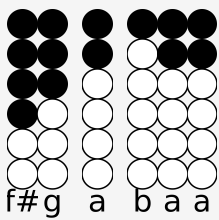

y deprimido se marchó

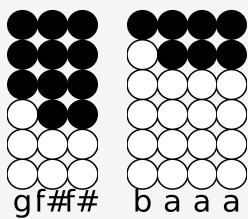

busquemolos,

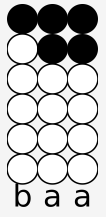

vamos a encontrarles,

yo quiero rescatarles
