

Tin whistle tabs for: Lets Get Together

Categories: Rock

Author/Performer: The Youngbloods

Love is but the song we sing, and fear's the way

We die. You can make the moun-tains ring, or

Make the an-gels cry. Know the dove is on the

Wing, and you need not know why. Come on

Peo-ple now, smile on your broth-er, ev-'ry-bo-dy

Get to-geth-er, try and love one an-oth-er right

Now. Some will come and some will go, We

Shall sure-ly pass. When the one who left us

Here, re-turns for us at last; we are but a

Mom-ent's sun-light, fad-ing in the grass.

Come on, peo-ple now, smile on your broth-er,

Ev-'ry bod-y get to-geth-er try and love one

An-oth-er right now. If you hear the song I

Sing, you must un-der-stand. You hold the key

To love and fear, all in your tremb-ling

Hand. Just one key un-locks them both, It's

there at your com-mand. Come on, peo-ple

Now, smile on your broth-er, ev-'ry bod-y

Get to-gether try and love one an-oth-er

Right now.
