

Tin whistle tabs for: Little White Cloud That Cried

Categories: Folk

Author/Performer: Johnnie Ray

I went walking down by the river,

feeling very sad inside,

When all at once I saw in the sky

the little white cloud that cried.

He told me he was very lonesome
and no one cared if he lived or died.

And said sometimes the thunder and lightning
make little clouds hide.

He said have faith in all kinds of weather,
for the sun will always shine.

Do your best and always
remember the dark clouds pass with time.

He asked if I'd tell all my world
just how hard those little clouds try.

That's how I know I'll always
remember the little white cloud

That sat right down and cried.
