I wan-na see what's nev-er been seen,

I wan-na live that age old dream.

Come on, boy, let's go to-gether

Let's take the best right now,

Take the best right now.

I wan-na go to an old hoe-down

Long a-go in a west-ern town.

Pick me up cause my feet are drag-gin'

Give me a lift and I'll hay your wag-on.

Love is a rose

but you bet-ter not pick it

On-ly grows when it's on the vine.

Hand-ful of thorns and

you'll know you've missed it
