Lucha de gigantes

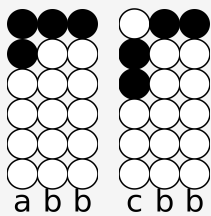

convierte,

el aire en gas natural

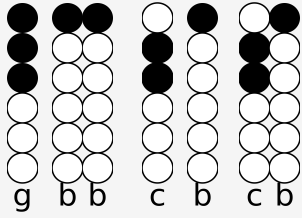

un duelo salvaje

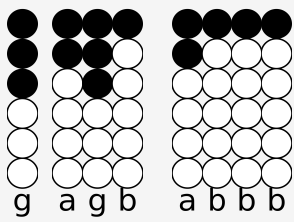

advierte,

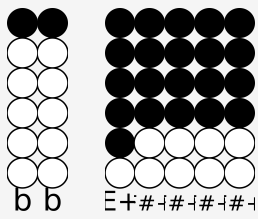

lo cerca que ando de entrar

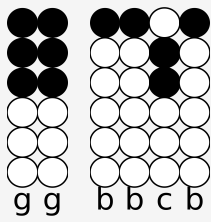

En un mundo descomunal

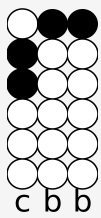

siento mi fragilidad.

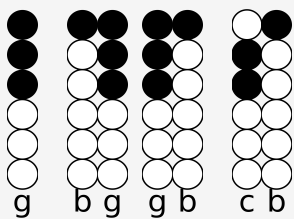

Vaya pesadilla

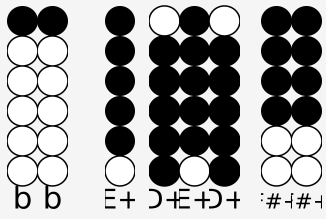

corriendo,

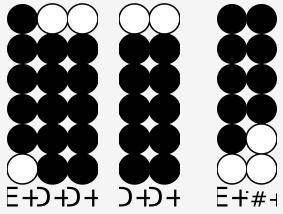

con una bestia detras

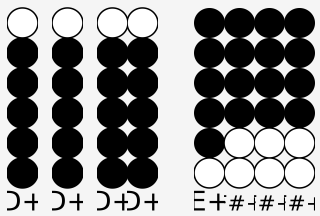

dime que es mentira todo,

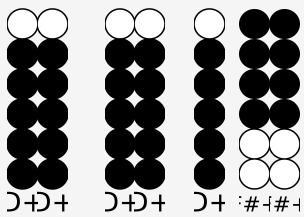

un sueño tonto y no mas

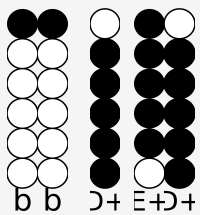

Me da miedo la enormidad

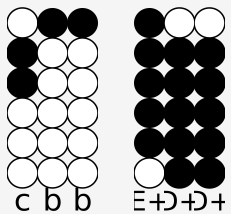

donde nadie oye mi voz.

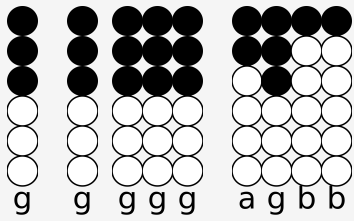

Deja de engañar

no quieras ocultar

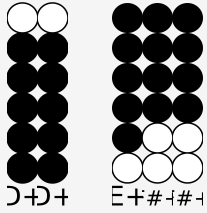

que has pasado sin tropezar

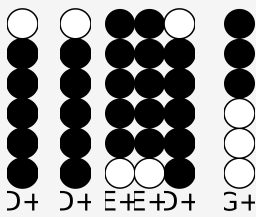

g g g g a g b b

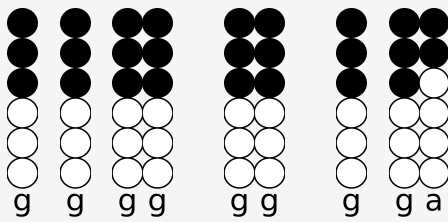

monstruo de papel

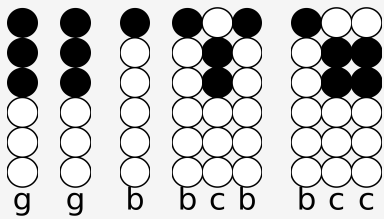

no se contra quien voy

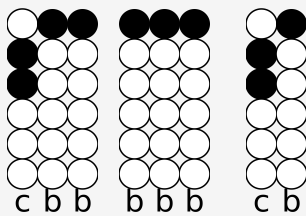

¿o es que acaso hay alguien mas aqui?

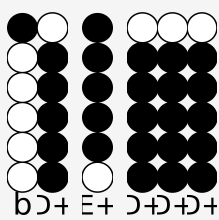

Creo en los fantasmas terribles

de algun extraño lugar

y en mis tonterias

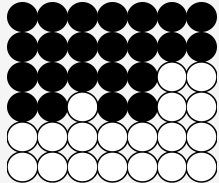

para

hacer tu risa estallar

Deja que pasemos

sin miedo.
