Mid-night in the de-sert

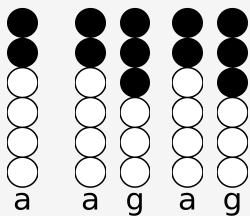

Shoot-ing stars a-cross the sky

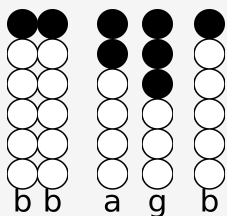

This ma-gi- cal journ-ey

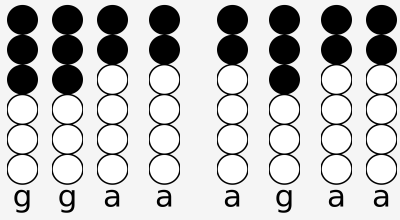

Will take us on a ride

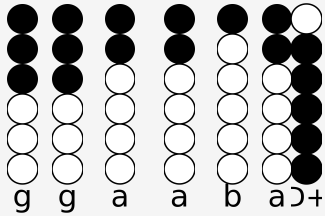

Filled with a long-ing

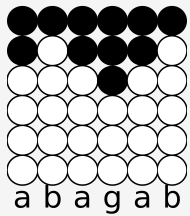

Dig-ging for the truth

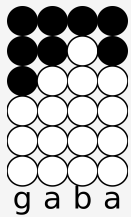

Will we make it through to-mor-row?

Will the sun shine on you?

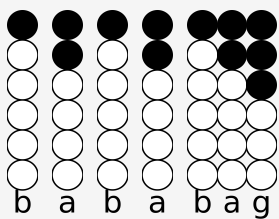

Mid-night in the de-sert

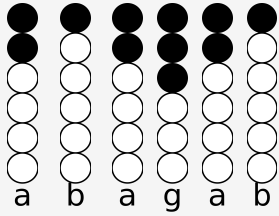

And we're list-'nin'

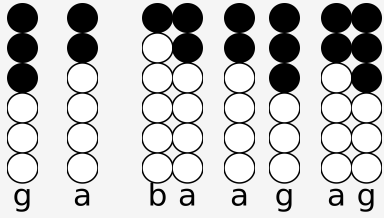

Ooh-aah

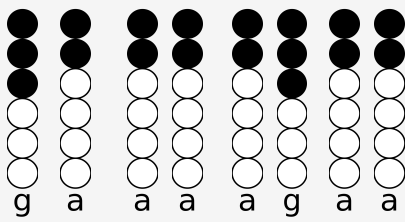

List-en-ing to you

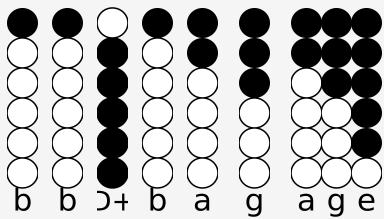

Mid-night in the de-sert

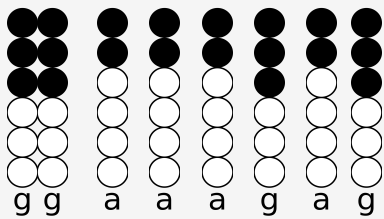

And there's wis-dom in the air

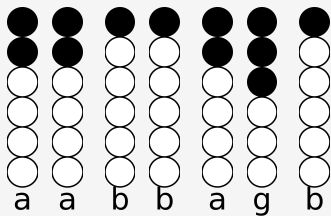

I've been look-ing for the an-swars

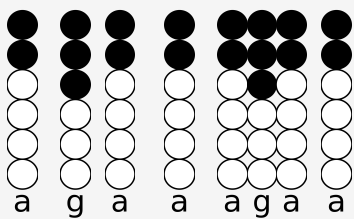

All my life I felt you there

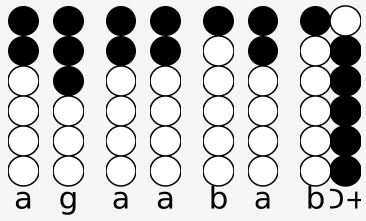

Is the world we live in slip-pin'?

Are we heed-ing all the signs?

Have we lost our in-tu-i-tion?

Are we run-ning out of time?

Mid-night in the de-sert

And we're list'nin'

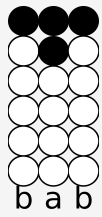

Ooh aah

Listening to you

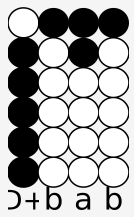

And we're list'nin'

Ooh aah

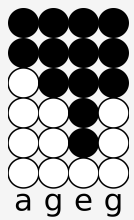

Listening to you

Ooh

Ooh

Ooh
