There's a natural mystic blowing through the air

If you listen carefully now you will hear.

This could be the first trumpet, might as well be the last

Man-y more will have to suffer,

Man-y more will have to die,,don't ask me why.

Things are not the way they used to be,

I won't tell no lie;

One and all have to face reality now.

'Though I've tried to find the answer to all the questions they ask.

'Though I know it's impossible to go livin' through the past -

Don't tell no lie.

There's a natural mystic blowing through the air -

Can't keep them down -

If you listen carefully now you will hear.

There's a natural mystic blowing through the air.

This could be the first trumpet, might as well be the last:

Many more will have to suffer,

Many more will have to die - don't ask me why.

There's a natural mystic blowing through the air -

I won't tell no lie;

If you listen carefully now you will hear:

There's a natural mystic blowing through the air.

Such a natural mystic blowing through the air;

There's a natural mystic blowing through the air;

Such a natural mystic blowing through the air;

Such a natural mystic blowing through the air;

Such a natural mystic blowing through the air.
