Looking from the window above

Its like a story of love.

Can you hear me?

Came back only yesterday,

Moving farther away.

Want you near me.

All I needed was the love you gave.

All I needed for another day

And all I ever knew;

Only you.

Sometimes when I think of her name

When it's only a game

b b b a

And I need you.

b b b b c b a g

Listen to the words that you say,

g g g# g# e

It's getting harder to stay

b b b a

When I see you.

And all I ever knew;

Only you.

All I needed for another day

And all I ever knew;

Only you.

This is gonna take a long time

And I wonder what's mine.

Can't take no more. (Can't take no more)

Behind closed doors.
