Pain in my heart

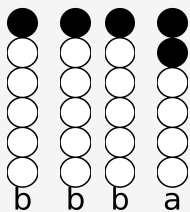

Treatin' me cold

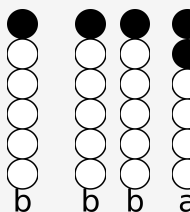

Where can my baby--- be---?

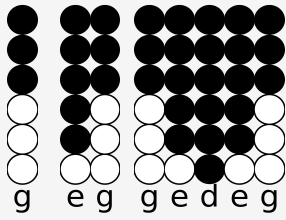

Lord, no one knows

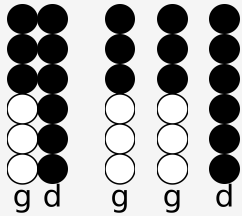

Pain in my heart

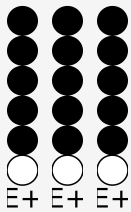

Won't let me sleep

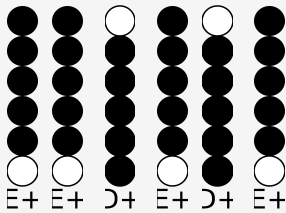

Where can my baby--- be---

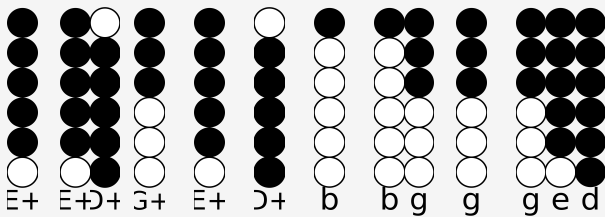

Lord, where is she?

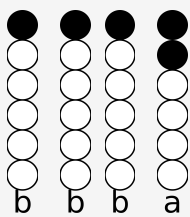

And one day

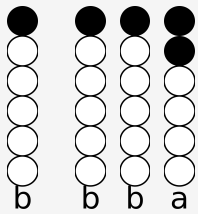

My days are gettin' tough

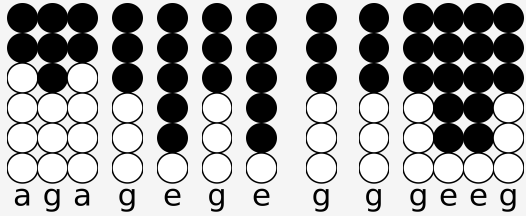

Won't you- come back, come back, come back, baby---

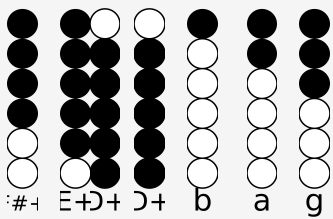

Pain in my heart

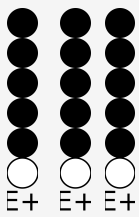

Won't let me be

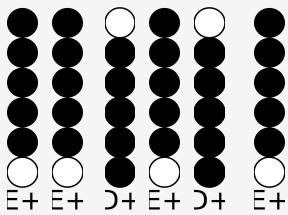

Oh--, I wake up restless night in misery-----

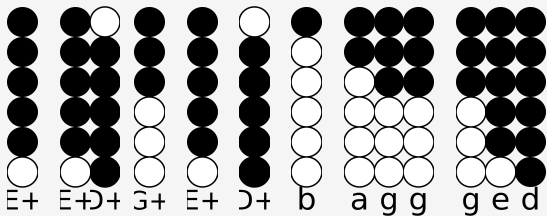

Won't somebody stop this pain

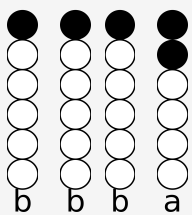

Lord, one day

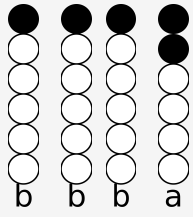

My days are gettin' tough

Won't you- love me, love me, love me, baby---

Pain in my heart

Pain in my heart
