Intro

Verse

True you ride the finest horse I've ever seen

Standing 16 1" or 2" with eyes wild and green

And you ride the horse so well, hands light to the touch

I could never go with you no matter how I wanted to

Chorus

Ride on, see you, I could never go with you

No matter how I wanted to

When you ride into the night without a trace behind

Run your claw along my gut one last time

I turn to face an empty space where once you used to lie

And look for a smile to light the night through a teardrop in my eye

Ride on, see you, I could never go with you

No matter how I wanted to

All tabs together
