you can't run away forever

but there`s nothing wrong with

getting a good head start

you wanna shut out the night

you wanna shut out the sun

you wanna shut away the pieces of a broken heart

think of how we`d lay down together

we`d be listening to the radio

so loud and so strong

every golden nugget coming

like a gift of the gods

someone must have blessed us

when they gave us the songs

i treasure your love,i never wanna lose it

you`ve been through the fires of hell

and i know you`ve got the ashes to prove it

i treasure your love,i wanna show you

how to use it

you`ve been through a lot of pain in the dirt

and i know you`ve got the scars to prove it

remember every thing i told you
