Categories: Rock

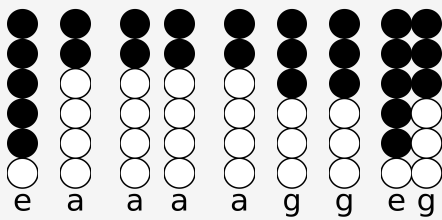

Author/Performer: Oasis

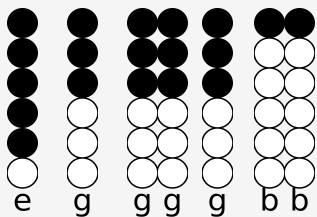

live my life in the city

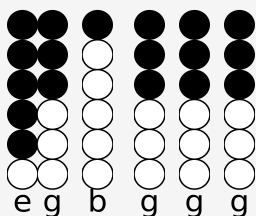

There's no easy way out

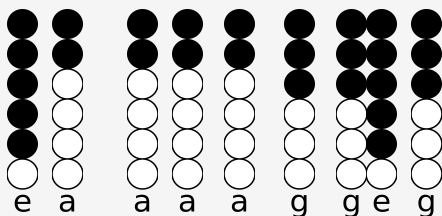

The day's moving just too fast for me

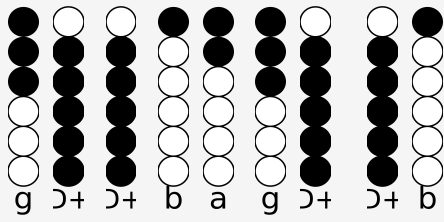

need some time in the sunshine

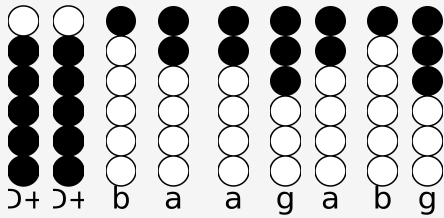

Gotta slow it right down

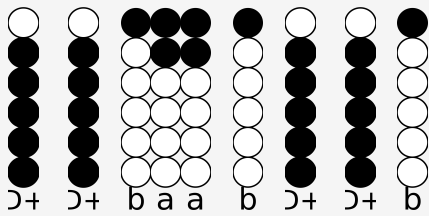

The day's moving just too fast for me

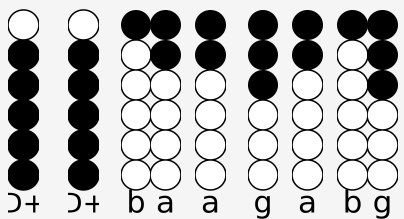

i live my life for the stars that shine

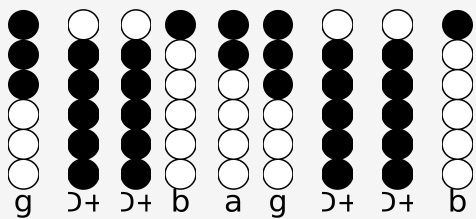

people say it's just a waste of time

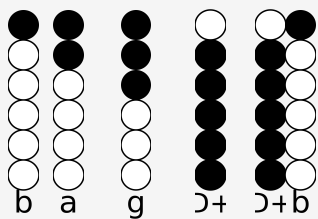

then they say i should feed my head

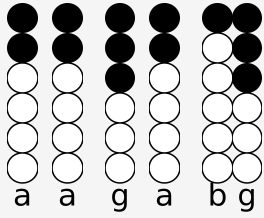

that to me is just a day in bed

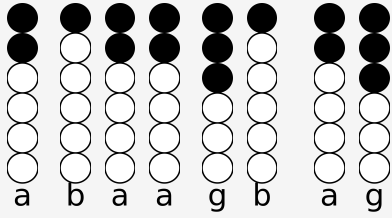

i'll take my car and i'll drive real far

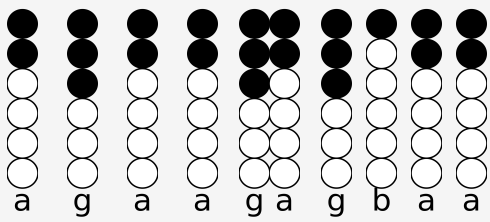

to where they're not concerned

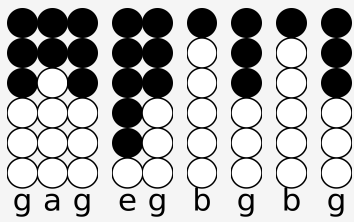

about the way we are

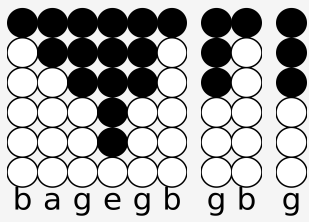

cos in my mind my dreams are real

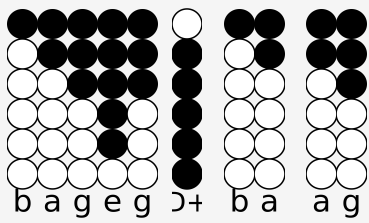

now youre concerned about the way i feel

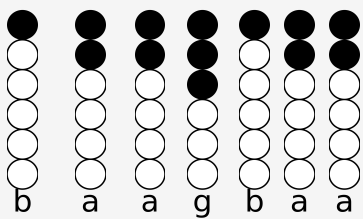

Tonight I'm a rock n roll star

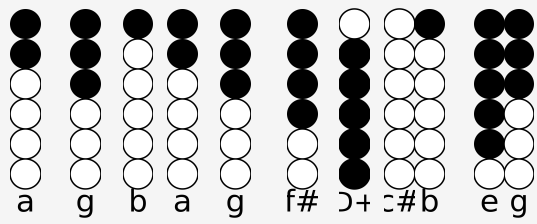

Tonight I'm a rock n roll star

Tonight I'm a rock n roll star

You're not down with who I am

Look at you now, you're all in my hands Tonight
