I'll sing it one last time for you

Then we really have to go

You've been the only

thing that's right

In all I've done

And I can barely look at you

But every single time I do

I know we'll make it anywhere

A way from here

Light up, light up

As if you have a choice

Even if you cannot hear my voice

I'll be right beside you dear

Louder louder

And we'll run for our lives

I can hardly speak I understand

Why you can't raise your voice to say

To think I might not see those eyes
 Makes it so hard not to cry
 And as we say our long goodbye's
 I nearly do

Light up, Light up..
 As if you have a choice
 Even if you cannot hear my voice
 I'll be right beside you dear

Louder louder
 And we'll run for our lives
 I can hardly speak I understand
 Why you can't raise your voice to say

Slower slower
We don't have time for that
All I want is to find an easier way
To get out of our little heads
Have heart my dear
We're bound to be afraid
Even if it's just for a few days
Making up for all this mess
Light up, light up..
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you dear
