

Tin whistle tabs for: Sexy Eyes

Categories: Pop

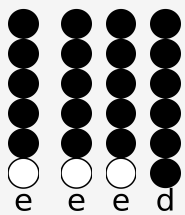

Author/Performer: Dr. Hook

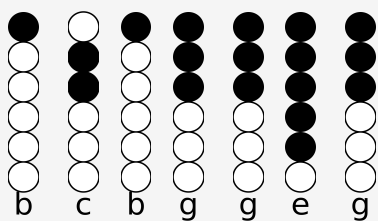

I was sitting all a-lone

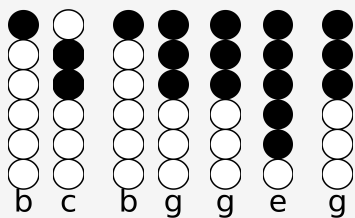

Watching people get it on

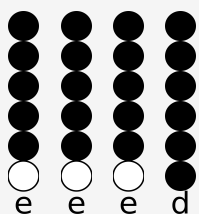

With each oth-er

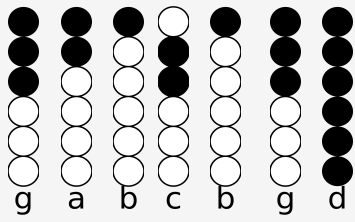

They were dancing cross the floor

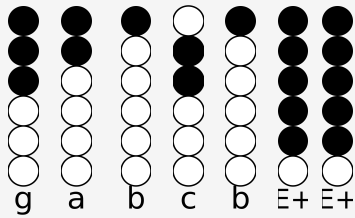

Turning, moving back and forth

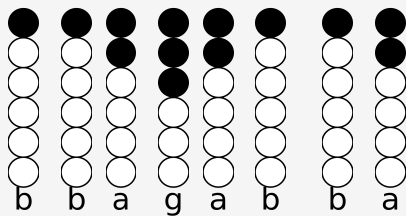

They were lov-ers

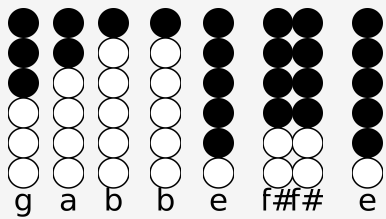

One more lonely night for me

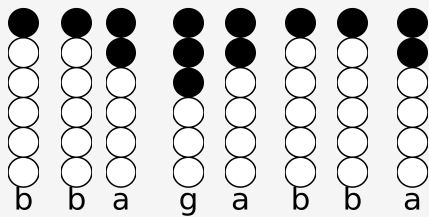

I looked up, what did I see

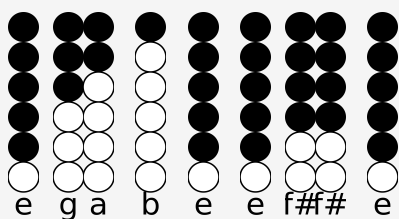

Sex-y eyes--moving cross the floor

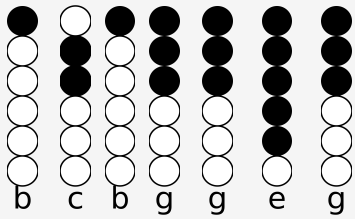

Got me wanting more --sex-y eyes

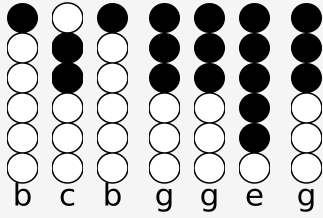

Sex-y eyes-- get-tin' down with you

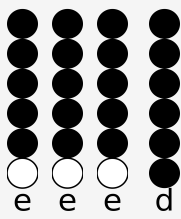

I wanna move with you--sex-y eyes

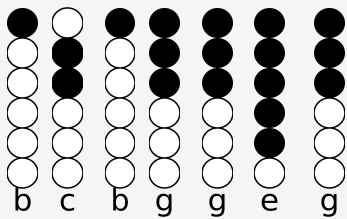

I got up and took your hand

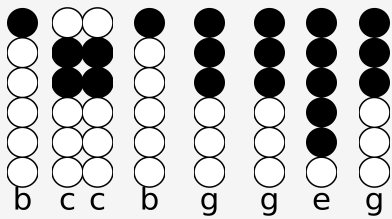

And we both began to dance

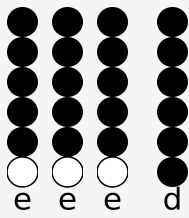

To the music

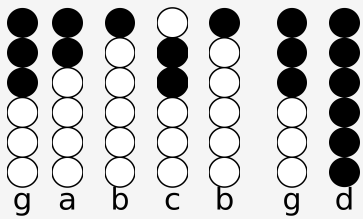

Ooh your magic cast a spell

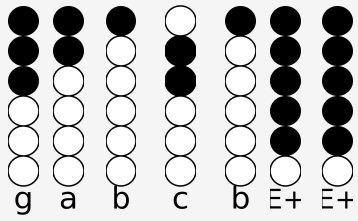

It didn't take long till we fell

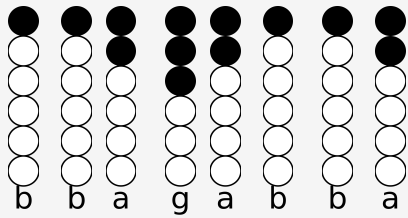

And we knew it

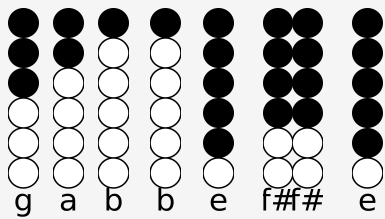

No more lone-ly nights for me

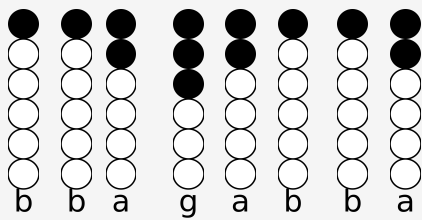

This is how it's gon-na be

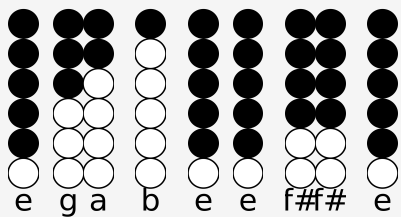

Sex-y eyes--moving cross the floor

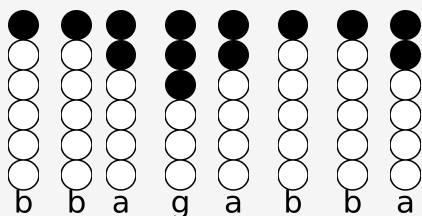

Got me wanting more --sex-y eyes

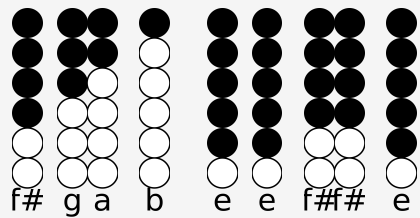

Sex-y eyes-- get-tin' down with you

I wanna move with you--sex-y eyes

Sex-y eyes-- get-tin' down with you

I wanna groove with you--sex-y eyes
