

Tin whistle tabs for: Sisters Of Mercy

Categories: Folk

Author/Performer: Leonard Cohen, Judy Collins

Oh, the sis-ters of mer-cy

They are not de-part-ed or gone

They were wait-ing for me

When I thought that I just can't go on

And they brought me their com-fort

And lat-er they brought me their song

Oh, I hope you run in-to them

You, who've been trav-ling so long

Yes, you who must leave ev-ry-thing

That you can-not con-trol

It be-gins with your fam-ly

And soon it comes round to your soul

I've been where you're hang-ing

I think, I can see how you're pinned

When you're not feel-ing hol-y

Your lone-li-ness says, that you've sinned

Well, they lay down beside me
 I made my confessions to them
 They touched both my eyes
 And I touched the dew on their hem
 If your life is a leaf
 That the seasons tear off and condemn
 They will bind you with love
 That is graceful and green as a stem
 When I left they were sleeping
 And I hope you run into them soon
 Don't turn on the lights
 You can read their address by the moon
 And you won't make me jealous
 If I find that they've sweetened your night
 We weren't lovers like that
 And besides it would still be all right
 We weren't lovers like that
 And besides it would still be all right
