

Tin whistle tabs for: Sit down

Categories: Rock

i'll sing myself to sleep

a song from the darkest hour

secret's i can't keep

inside of the day

swing from high to deep

extremes of sweet and sour

hope that god exists

i hope i pray

drawn by the undertow

my life is out of control

i believe this wave will bear my weight

so let it flow

chorus:

oh sit down,oh sit down,

sit down next to me

sit down,down,down,down,down

in sympathy

verse 2:

now I'm relieved to hear
that you've been to some far out places
it's hard to carry on
when you feel all alone
now I've swung back down again
it's worse than it was before
if i hadn't seen such riches
i could live with being poor.

repeat chorus:
