An-y-one who ev-er held you

Would tell you the way I'm feel-ing

An-y-one who ev-er wan-ted you

Would try to tell you what I feel in-side

The on-ly thing I ev-er wan-ted

Was the feel-ing that you ain't fak-ing

The on-ly one you ev-er thought a-bout

Wait a min-ute can't you see that I

Wan-na fall from the stars

Straight in-to your arms

I, I feel you

I hope you com-pre-hend
