

Tin whistle tabs for: Teen Angel

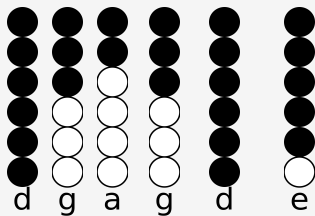

Categories: Pop

That fate-ful night the car was stalled

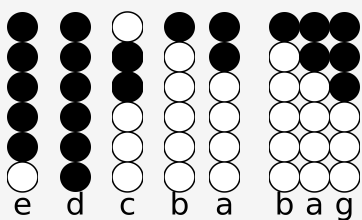

Up-on the rail-road track

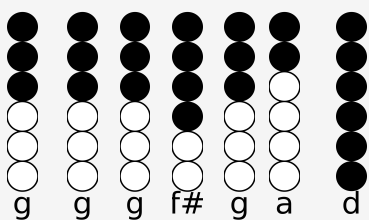

I pulled you out and we were safe,

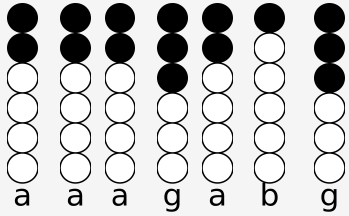

But you went run-ning back.

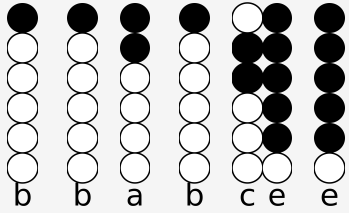

Teen an-gel, can you hear me?

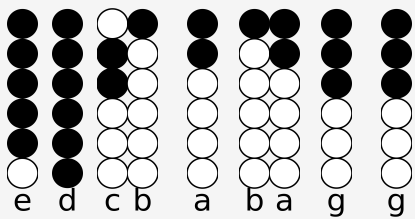

Teen an-gel, can you see me?

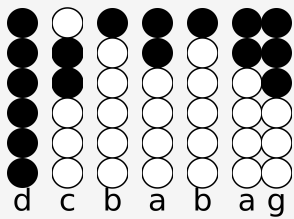

Are you some-where up a-bove,

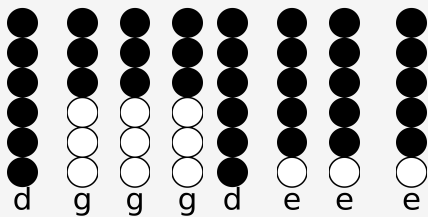

And am I still your own true love.

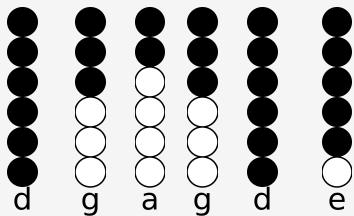

Instrumental

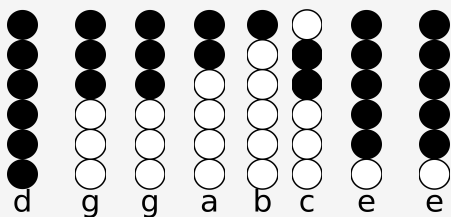

What was it you were look-ing for

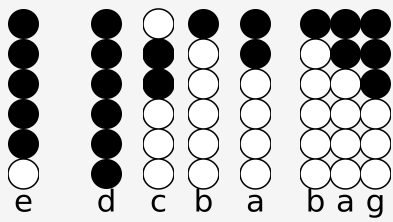

That took your life that night?

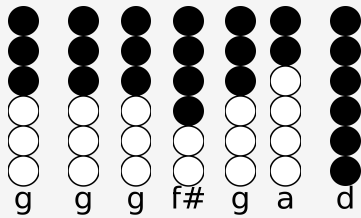

They said they found my high school ring

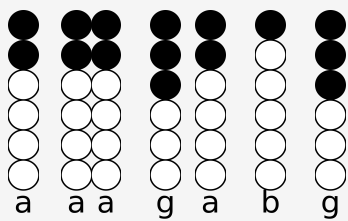

Clutched in your fin-gers tight.

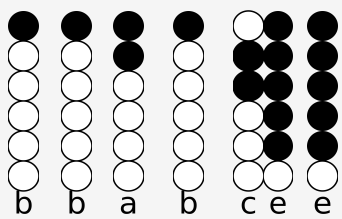

Teen an-gel, can you hear me?

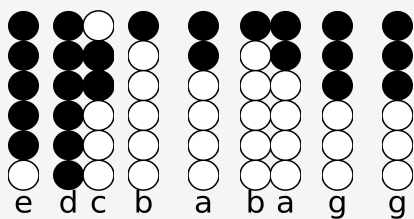

Teen an-gel, can you see me?

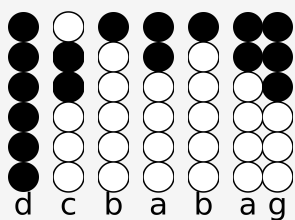

Are you some-where up a-bove,

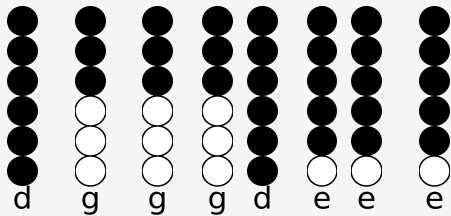

And am I still your own true love.

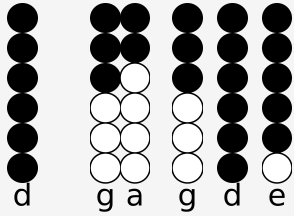

Instrumental

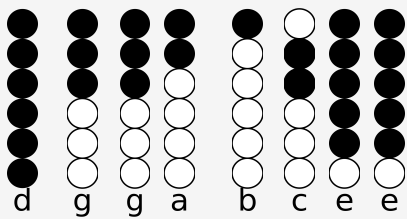

Just sweet six-teen and now you're gone;

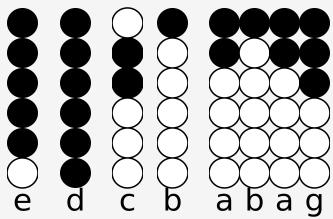

They've taken you away.

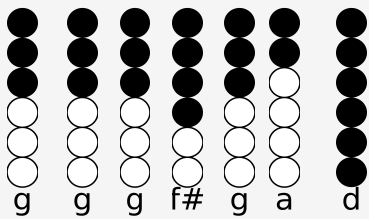

I'll nev-er kiss your lips again;

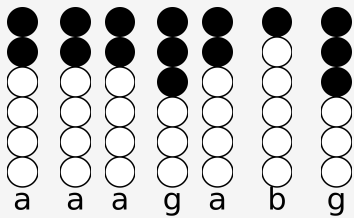

They bur-ied you to-day

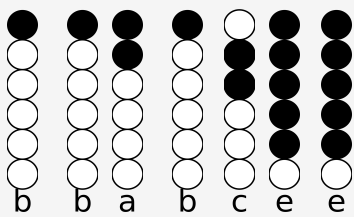

Teen an-gel, can you hear me?

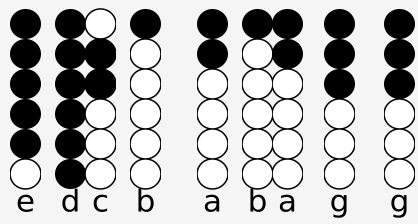

Teen an-gel, can you see me?

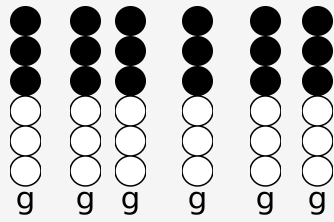

Are you some-where up a-bove,

And am I still your own true love.

Teen an-gel, teen an-gel,

Answer me please.
