

Tin whistle tabs for: The ship song

Categories: Folk

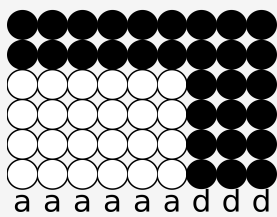

Author/Performer: Nick Cave

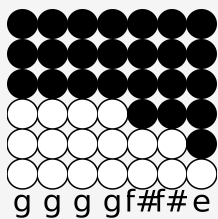

Come sail your ships around me

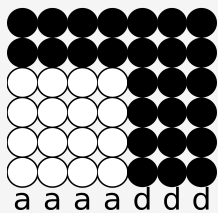

And burn your bridges down

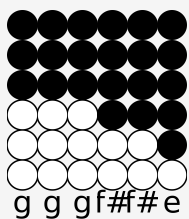

We make a little history, baby

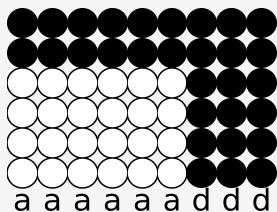

Every time you come around

Come loose your dogs upon me

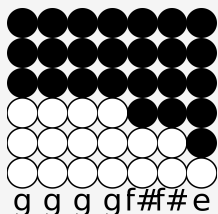

And let your hair hang down

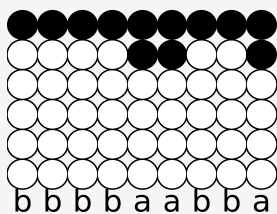

a a a a a a d d d

You are a little mystery to me

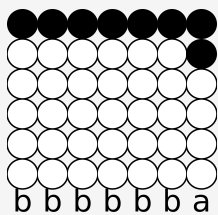

g g g g f#f#e

Every time you come around

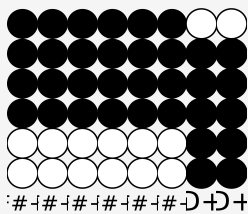

b b b b a a b b a

We talk about it all night long

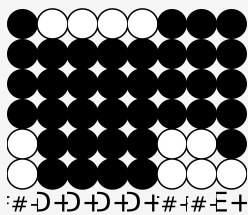

b b b b b b a

We define our moral ground

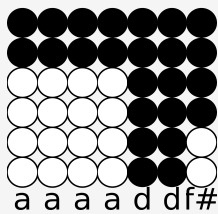

:#-i#-i#-i#-i#-i#-D+D+

But when I crawl into your arms

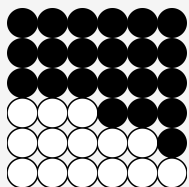

:#-D+D+D+D+#+i#-E+

Everything comes tumbling down

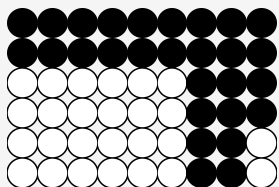

a a a a d d f#

Come sail your ships around me

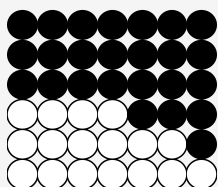

g g gf##e

And burn your bridges down

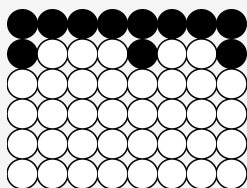

a a a a a d df#

We make a little history, baby

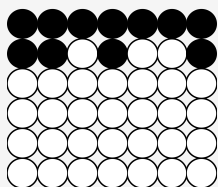

g g g gf##e

Every time you come around

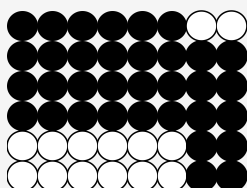

a b b b a b b a

Your face has fallen sad now

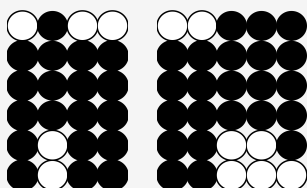

a a b a b b a

For you know the time is nigh

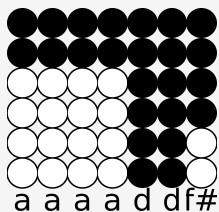

:#-#-#-#-#-#-D+D+

When I must remove your wings

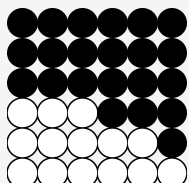

D+#+D+D+ D+D+#+#+E+

And you, you must try to fly

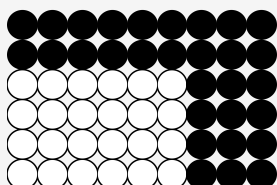

a a a a d df#

Come sail your ships around me

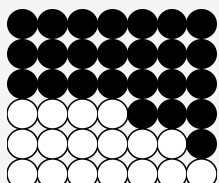

g g gf###e

And burn your bridges down

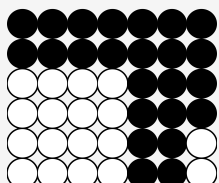

a a a a a a d d d

We make a little history, baby

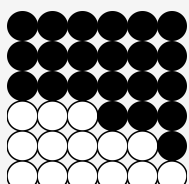

g g g gf###e

Every time you come around

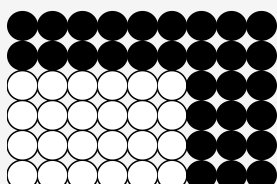

a a a a d df#

Come loose your dogs upon me

And let your hair hang down

You are a little mystery to me

Every time you come around
