

Tin whistle tabs for: Til Kingdom Come

Categories: Pop

Steal my heart and hold my tongue.

I feel my time, my time has come.

Let me in, unlock the door.

I've never felt this way before.

The wheels just keep on turning,

The drummer begins to drum,

I don't know which way I'm going,

I don't know which way I've come.

Hold my head inside your hands,

I need someone who understands.

I need someone, someone who hears,

For you, I've waited all these years.

For you, I'd wait 'til kingdom come.

Until my day, my day is done.

And say you'll come, and set me free,

Just say you'll wait, you'll wait for me.

In your tears and in your blood,
In your fire and in your flood,
I hear you laugh, I heard you sing,
"I wouldn't change a single thing."

The wheels just keep on turning,
The drummer begins to drum,
I don't know which way I'm going,
I don't know which way I've come.

For you, I'd wait 'til kingdom come.

Until my day, my day is done.

And say you'll come, and set me free,

Just say you'll wait, you'll wait for me.

Just say you'll wait, you'll wait for me.

Just say you'll wait, you'll wait for me.
