Sometimes I feel like I don't have a partner

Sometimes I feel like my only friend

Is the city I live in, the city of angels

Lonley as I am, together we cry

I drive on her streets cause

She's my companion

I walk through her hills

Cause she knows who I am

She sees my good deeds

And she kisses me windy

I never worry, now that is a lie

I don't ever want to feel like I did that day

Take me to the place I love, take me all the way

I don't ever want to feel like I did that day

Take me to the place I love, take me all the way

It's hard to believe that

There's nobody out there

It's hard to believe

That I'm all alone

At least I have her love

The city she loves me

Lonely as I am, together we cry

I don't ever want to feel, like I did that day

Take me to the place I love, take me all the way

I don't ever want to feel, like I did that day

Take me to the place I love, take me all the way

Under the bridge downtown

Is where I drew some blood

Under the bridge downtown

I could not get enough

Under the bridge downtown

Forgot about my love

Under the bridge downtown

I gave my life away yeah,yeah-i-yeah
